this catalog highlights one hundred of the finest examples of korean ceramics metalwork and decorative arts buddhist sculpture and painting one of the few english language volumes to be published on the subject arts of korea is a comprehensive introduction to an important east asian cultural and artistic tradition metropolitan museum of art website

the arts of korea painting screens furniture ceramics lacquerware and sculpture entered a latterday golden age in the 18th century this book and the exhibition organized by the asia society galleries that it documents illuminate three key aspects of

18th century korean art the royal arts emblematic of the authority and ceremonial dignity of the king arts of leisure and self cultivation patronized by an emerging class of wealthy professionals and artist craftsmen and religious art which included confucian shamanic and buddhist lineages googlebooks

the only college level publication on korean art history written in english korean pop culture has become an international phenomenon in the past few years the popularity of the nation s exports movies k pop fashion television shows lifestyle and cosmetics products to name a few has never been greater in western society despite this heightened interest in contemporary korean culture scholarly western publications on korean visual arts are scarce and often outdated a companion to korean art is the first academically researched anthology on the history of korean art written in english this unique anthology brings together essays by renowned scholars from korea the us and europe presenting expert insights and exploring the most recent research in the field insightful chapters discuss korean art and visual culture from early historical periods to the present subjects include the early paintings of korea buddhist architecture visual art of the late chosön period postwar korean art south korean cinema and more several chapters explore the cultural exchange between the korean peninsula the chinese mainland and the japanese archipelago offering new perspectives on chinese and japanese art the most comprehensive survey of the history of korean art available this book offers a comprehensive account of korean visual culture through history including contemporary developments and trends presents two dozen articles and numerous high quality illustrations discusses visual and material artifacts of korean art kept in various archives and collections worldwide provides theoretical and interpretive balance on the subject of korean art helps instructors and scholars of asian art history incorporate korean visual arts in their research and teaching the definitive and authoritative reference on the subject a companion to korean art is indispensable for scholars and academics working in areas of asian visual arts university students in asian and korean art courses and general readers interested in the art culture and history of korea

uses the history of korean art from neolithic times to the present day as a means of reflecting the culture philosophy and life style of the korean people

over the past decades korea has gradually risen to become one of the global representatives of asian culture korean artists have been increasingly active at an international level with many being invited for residencies and exhibitions all over the

world nonetheless for various reasons the general understanding of korean contemporary art remains insufficient although a few overviews of korean contemporary art do exist they typically focus on the history of art groups and movements in addition several anthologies have been published with articles on a range of topics offering multiple perspectives however there have been few attempts to provide a unified synopsis of korean contemporary art presenting a comprehensive engaging survey that covers the full spectrum of korean contemporary art korean art since 1945 challenges and changes seeks to fill this lacuna drawing on primary sources it discusses the main issues including the ideological stakes that affected the art world modernist art vs political art and the fluidity of concepts such as tradition and national identity moreover the book also has a chapter on the art of north korea korean art since 1945 challenges and changes is an invaluable tool for those intent on grasping the entire scope of modern art in asia

maedeup is a language of the hands a flower of the heart it was like a kind of wings for korean

modern and contemporary art in korea deals with issues of tradition modernity and identity in modern and contemporary korean art in korea on a deeper level this is one of the only books of its kind in english that exposes readers to specific artists and their works an especially useful resource for those who wish to know more than just surface level facts about korean art

the publication of this general introduction to the art and archaeology of korea coincides with the new permanent korea gallery at the british museum promoting a wider interest in the country and its history aimed at a non specialist audience this book is readable and well illustrated it and covers a vast time period from the neolithic c 6000 bc to the present day the remarkable culture of this country gradually unfolds through the descriptions and illustrations of korean art decorative objects pottery and monuments sculpture crafts and ceramics

one of the handbooks of korean art series designed to provide an introduction to major aspects of korea s artisitic heritage this book focuses on folk painting

in recent years the increase in interest in asian art has led to a number of books being published about japanese and chinese artists however the exciting korean scene is still largely undocumented now kim youngna reveals korean modern and

contemporary artists to the west twentieth century korean art provides a comprehensive engaging survey that places emphasis on art historical narratives it draws on primary sources and historical artefacts as well as on new interpretations of issues such as the identity of korean art and the cultural ramifications of japanese colonialism covering over one hundred years from the late 19th century through to the 1990s the essays in this book examine how both external influences and wills to change within korean society itself generated an artistic vitality against a shifting political social and cultural backdrop and how this necessarily involved east asia at large and the west

walk the galleries of any major contemporary art museum and you are sure to see a work by a korean artist interest in modern and contemporary art from south as well as north korea has grown in recent decades and museums and individual collectors have been eager to tap into this rising market but few books have helped us understand korean art and its significance in the art world and even fewer have told the story of the formation of korea's contemporary cultural scene and the role artists have played in it this richly illustrated history tackles these issues exploring korean art from the late nineteenth century to the present day a period that has seen enormous political social and economic change charlotte horlyck covers the critical and revolutionary period that stretches from korean artists first encounters with oil paintings in the late nineteenth century to the varied and vibrant creative outputs of the twenty first she explores artists interpretations of new and traditional art forms ranging from oil and ink paintings to video art multi media installations ready mades and performance art showing how artists at every turn have questioned the role of art and artists within society opening up this fascinating world to general audiences this book will appeal to anyone wanting to explore this rich and fascinating era in korea's cultural history

the museum of fine arts boston has one of the finest collections of korean art outside east asia with particularly superb holdings of ceramics including celadon masterworks from the eleventh to fourteenth centuries and buddhist paintings and sculptures it is also rich in metalwork lacquer and ink painting while some of the hundred objects presented here were created for royals and aristocrats many others were originally intended for everyday use and tell a story not only about the artisans who made these boxes mirrors jars tiles and trays but also about the people who used them the works represented in arts of korea reach in time from a bronze age dagger to contemporary ceramics and prints highlighting the creative dialogue of artists with korea's unique traditions as well as with those of china and japan over more than two millennia enhanced with illuminating essays about the objects cultural history this book offers an ideal introduction to the splendors and subtleties of

korean art

contains more than 100 highlights of the collection along with detailed commentaries by kumja paik kim

a descriptive and critical survey of korean sculpture applied arts and paintings emphasizing indigenous styles forms and modes of expression and acknowledging the great influence of chinese art
