the 1 guide to behavioral issues in medicine delivering thorough practical discussion of the full scope of the physician patient relationship this is an extraordinarily thorough useful book it manages to summarize numerous topics many of which are not a part of a traditional medical curriculum in concise relevant chapters doody s review service 5 stars reviewing an earlier edition the goal of behavioral medicine is to help practitioners and students understand the interplay between psychological physical social and cultural issues of patients within its pages readers will find real world coverage of behavioral and interactional issues that occur between provider and patient in everyday clinical practice readers will learn how to deliver bad news how to conduct an effective patient interview how to care for patients at the end of life how to clinically manage common mental and behavioral issues in medical patients the principles of medical professionalism motivating behavior change and much more as the leading text on the subject this trusted classic delivers the most definitive practical overview of the behavioral clinical and social contexts of the physician patient relationship the book is case based to reinforce learning through real world examples focusing on issues that commonly arise in everyday medical practice and training one of the significant elements of behavioral medicine is the recognition that the wellbeing of physicians and other health professionals is critically important to caring for patients

triple biography told largely through their correspondence of 3 college friends who ultimately went on to literary fame religious writer thomas merton minimalist poet robert lax and author photographer magazine publisher edward rice

a weekly review of politics literature theology and art

since her death in 1963 at the age of thirty sylvia plath has become a strange icon an object of intense speculation of fantasy repulsion and desire few twentieth century western writers have inspired such a range of deeply felt responses not even her tombstone is allowed to rest in peace admirers exalt plath as a priestess of high art in a degenerate culture or see her work as an indictment of patriarchal society as she painfully experienced it in her relationships with her family her analysts and her husband poet ted hughes detractors however see plath as a seductive destructive death figure whose solipsistic negative rantings offend conventional mores and values in both popular and scholarly circles there seem to be no middle ground jacqueline rose stands back from the debates and looks instead at the swirl of controversy recognizing it as a phenomenon in itself one with much to tell us about how a culture selects and judges writers how we hear women s voices and how we receive messages from to and about our unconscious selves rose frees plath from the rigid opposition between psychoanalytic and feminist agendas and offers a new way of understanding plath and ourselves jacket
