this is history book it explored the grand scheme of world history as a product of real life human beings pursuing their individual and collective interests it also offered a global perspective on the past by focusing on both the distinctive characteristics of individual societies and the connections that have linked the fortunes of different societies it has combined a clear chronological framework with the twin themes of traditions and encounters which help to make the unwieldy story of world history both more manageable and more engaging from the beginning traditions encounters offered an inclusive vision of the global past one that is meaningful and appropriate for the interdependent world of contemporary times

on the basis of a superficial inspection traditions encounters might look similar to several other textbooks that survey the worlds past like other books for example traditions encounters examines the historical development of societies in asia europe africa the americas and oceania yet traditions encounters differs from other works in two particularly important ways first it relies on a pair of prominent themes to bring a global perspective to the study of world history it traces the historical development of individual societies in all world regions and it also focuses attention systematically on interactions between peoples of different societies second it organizes the human past into seven eras that represent distinct and coherent periods of global historical development preface page xvi

tells the story of the cultures and interactions that have shaped world history while adding redesigned maps primary sources and chapter and part level features that strengthen connections and

cross cultural encounters in modern world history explores cultural contact as an agent of change it takes an encounters approach to world history since 1500 rather than a political one to reveal different perspectives and

experiences as well as key patterns and transformations it studies the spaces between cultures historically to help us transcend human differences today in a rapidly globalizing world the text focuses on first encounters that suggest long term developments and particularly significant encounters that have changed the direction of world history because of the complexities of these encounters the author takes a user friendly approach to keep the text accessible to students with varying backgrounds in history
