start with why a complete summary start with why is a book written by simon sinek someone may ask what is so special about this book in this book sinek discusses success but not in the usual follow these steps to achieve anything you want way sinek uses a different approach than readers tend to find in other literature of the same type the very first premise that the author uses to lead us into his book is a premise that contains one simple word why why do some people reach success while others do not why do some groups manage to team up and endure challenges thus succeeding while others fail to do so what is it that makes some people different from others when it comes to achieving success the entire book revolves around that question word but the interesting thing about it which eventually leads to even more interesting conclusion is that there is an answer to this why sinek uses many examples from real life and from people he knew or had researched and shows how they managed to succeed by using these examples the author shows his readers that if others can succeed so can we when it comes to practical answers to why the author invests significant effort in finding all the answers start with why is an intriguing and fascinating read which will surely make readers ask themselves this simple yet tricky question why here is a preview of what you will get a summarized version of the book you will find the book analyzed to further strengthen your knowledge fun multiple choice quizzes along with answers to help you learn about the book get a copy and learn everything about start with why

the new york times bestseller by the acclaimed bestselling author of start with why and together is better now with an expanded chapter and appendix on leading millennials based on simon sinek s viral video millennials in the workplace 150 million views imagine a world where almost everyone wakes up inspired to go to work feels trusted and valued during the day then returns home feeling fulfilled this is not a crazy idealized notion today in many successful organizations great leaders create environments in which people naturally work together to do remarkable things in his work with organizations around the world simon sinek noticed that some teams trust each other so deeply that they would literally put their lives on the line for each other other teams no matter what incentives are offered are doomed to infighting fragmentation and failure why the answer became clear during a conversation with a marine corps general officers eat last he said sinek watched as the most junior marines ate first while the most senior marines took their place at the back of the line what s symbolic in the chow hall is deadly serious on the battlefield great leaders sacrifice their own comfort even their own survival for the good of those in their care too many workplaces are driven by cynicism paranoia and self interest but the best ones foster trust and cooperation because their leaders build what sinek

calls a circle of safety that separates the security inside the team from the challenges outside sinek illustrates his ideas with fascinating true stories that range from the military to big business from government to investment banking
