the vatican empire is the first foray into the church s best guarded secret the astonishingly powerful reach of one of the world s most flourishing super corporations while no one person actually knows the full worth of the catholic church conservative estimates of the vatican investment portfolio alone amount to more than 5 6 billion dollars there is no business like vatican business the author states here he reveals all of this business the people the numbers the transactions the global power the economic force that is the vatican empire publisher

divided into themed sections linked together with a chronology of the most important events in the life of the vatican secrets of the vatican includes the history of the vatican the rise of the catholic church from its inauspicious beginnings as a persecuted cult in rome to its establishment as the world s largest organized religion houses of the holy a look at the vast wealth of art sculpture and literature collected in the vatican museums and some of the scandals that accompany the treasures life in the vatican everyday life under the benevolent gaze of europe s last absolute ruler death in the vatican the gruesome ends of some popes and of some of the vatican s other citizens the hidden vatican the chapters of vatican history that have remained closed to all but the innermost circle of vatican officials

sample text

a comprehensive examination of the world's most complex religious organization there are one billion catholics in the world today spread over every continent speaking almost every conceivable language and all answering to a single authority the vatican is a unique international organization both in terms of its extraordinary power and influence and in terms of its endurance popes come and go but the elaborate and complex bureaucracy called the vatican lives on for centuries it has served and sometimes undermined popes it has been praised and blamed for the actions of the pope and for the state of the church yet an objective examination of the workings of the vatican has been unavailable until now drawing on more than a hundred interviews with vatican officials this book affords a firsthand look at the people the politics and the organization behind the institution thomas reese brings remarkable clarity to the almost byzantine bureaucracy of congregations agencies secretariats tribunals nunciature and offices showing how they serve the pope and through him the universal church he gives a lively account of how popes are elected and bishops appointed how dissident theologians are disciplined and civil authorities dealt with throughout revealing and colorful anecdotes from church history and the present day bring the unique culture of the vatican to life the vatican is a fascinating institution a model of continuity and adaptation which remains constant while functioning powerfully in a changing world as never before this book provides a clear objective perspective on how the enormously complex institution surrounding the papacy operates on a day to day level how it has adapted and endured for close to two thousand years and how it is likely to face the challenges of the next millennium praise for inside the vatican reese does an admirable job of lifting the veil of secrecy surrounding the holy see to examine the nuts and bolts of the operation he paints a revealingly human portrait of vatican life ultimately this is the merit of inside the vatican reese gets it right and in such a place that's no easy task greg burke time reese paints a clear largely dispassionate and often compelling picture of vatican operations and in so doing highlights the tensions that tear the church diego ribadeneira the boston globe this is a useful and even valuable study of the institutional centre of the roman catholic church and of the relations between the centre and the worldwide network of local churches which go to make up the church catholic dr reese brings impressive qualifications and experience as a political scientist to this study it is the special virtue of dr reese's study that he succeeds where many have failed in providing an analytic critical and comprehensive account of how the vatican works seán mac réamoinn the irish times

this book examines one of the fundamental phenomena in jurisprudence legal transplants reception of law the study of which allows us both to determine the relationships between various legal systems and between civil law and other normative systems taking the vatican city state as a case study the work explores the theoretical and practical significance of canon law in the legal system it analyses the sources of law and how it is applied in practice especially in the jurisprudence of the vatican courts and other bodies applying the law the characteristic feature of this transplantation of law is the borrowing by the legislative and judicial authorities of the state of various norms both of a strictly religious nature and those arising from the law of the italian republic the european union the norms of international law and their creative use to produce a distinct system of law it is this creative use that constitutes the essence of the reception of law in the vatican city state the book determines similarities and differences between the reception of law in the vatican city state and other examples of reception of law including the implementation of european union

law by individual member states the relationship between the reference by the vatican legislator to the axiological foundations of the legal order and the role of legal principles in secular legislation how the confessional character of the vatican city state affects the content of legal norms applicable in the state and whether this mechanism can be applied in secular states the book will be of interest to academics and researchers working in the areas of law and religion canon law and legal philosophy

the new york times bestselling inside look at one of the world s most powerful and mysterious institutions for more than twenty five years john thavis held one of the most remarkable journalistic assignments in the world reporting on the inner workings of the vatican in the vatican diaries thavis reveals vatican city as a place struggling to define itself in the face of internal and external threats where curia cardinals fight private wars and sexual abuse scandals threaten to undermine papal authority thavis author of the vatican prophecies investigating supernatural signs apparitions and miracles in the modern age also takes readers through the politicking behind the election of pope francis and what we might expect from his papacy the vatican diaries is a perceptive compelling and provocative account of this singular institution and will be of interest to anyone intrigued by the challenges faced by religion in an increasingly secularized world

a fascinating and enlightening look at the world s oldest and most mysterious institution written by an american journalist with unparalleled knowledge about the vatican s past and present the sexual abuse scandals that shook american and british catholicism in 2002 brought to light a long standing cultural gap between the english speaking catholic world and the vatican in rome the crisis was often seen as an attack on the church mounted by money hungry lawyers a hostile press and liberal activists who used it as a way to turn attention on such concerns as celibacy women s ordination and lay empowerment when the vatican struck down the u s bishops draft for handling allegations of sexual abuse many saw it as an attempt to curb an independent american catholic church yet as time passed it became clear that the vatican s well founded concerns about due process were shared by most liberal u s bishops and canon lawyers all the pope s men is a lucid in depth guide to the sometimes puzzling often incomprehensible inner workings of the vatican it reveals how decisions are made how papal bureaucrats think and how careers in the roman curia are shaped it debunks the myths that have fed the distrust and suspicions many english speaking catholics harbor about the way the vatican conducts its business explains who really wields the power and offers entertaining profiles of the personalities historical and present day who have wielded that power for good and for bad a thoughtful analysis of the recent sexual abuse crisis sheds light on how the vatican perceives the church in the united states balanced lively and filled with vatican history and lore all the pope s men provides the general reader with an authoritative picture of the highly charged relationship between the vatican and the richest most influential national catholic church in the world today

entries on heresies and condemnations are included along with those on the vatican reaction to various ideological movements such as arianism jansenism gnosticism fascism racism marxism and americanism entries address current issues such as the papal position on social questions abortion homosexuality liberation theology and birth control

the process by which these supernatural events are authenticated is expertly told by john thavis one of the world s leading vaticanologists in fact that a book on so

secretive and complex a topic is so deeply researched beautifully written and artfully told is something of a small miracle itself james martin s j author of *jesus a pilgrimage* from the new york times bestselling author of the *vatican diaries* a fascinating behind the scenes look at how the vatican investigates claims of miraculous events apocalyptic prophecies and miraculous apparitions are headline grabbing events that often put the catholic church s concept of rational faith at odds with the passion of its more zealous followers to some these claims teeter on the edge of absurdity others see them as evidence of a private connection with god for the vatican the issue is much more nuanced as each supposed miraculous event could have serious theological and political consequences in response the vatican has developed a highly secretive and complex evaluation system to judge the authenticity of supernatural phenomena former journalist john thavis uses his thirty years experience covering the vatican to shed light on this little known process revealing deep internal debates on the power of religious relics private revelations exorcisms and more enlightening and accessible to catholics and non catholics alike the book illustrates the church s struggle to balance the tension between traditional beliefs and contemporary skepticism

what the vatican doesn t want you to know when you visit the vatican you ll undoubtedly be awestruck by its beauty and scale and the chances are you may also pick up on the feeling of mystery and intrigue this is a result of the vatican s intricate history as well as its unique setting and atmosphere with the catholic church being established during the 1st century it has become the largest christian church in the entire world having over 1 billion current members although the vatican itself didn t come into play until 1506 when construction began in rome italy the vatican is looked at as being the heart of catholicism while that may be true considering it s one of the most sacred buildings on earth there is another version of the vatican that not many know about a much darker side to it throughout the vatican s existence over the centuries many have thought up theories and beliefs in regards to the massive church some believe that the church possesses objects that no other man can see except for worthy clergymen while some believe the church is responsible for some of history s biggest events the lies the conspiracies the cover ups the truth deep behind the walls of the world s holiest site is a dense network of lies corruption and conspiracies fueling the vatican s vast and unchecked influence on world events from the holy orders that defied the commandment thou shalt not kill to the scandals splashed across international headlines the vatican is no longer shrouded in mystery legend and secrecy it s all here this utterly fascinating unflinching account is the most definitive exposé ever written about the most secretive institution in the world this book has all this and more with conspiracies that all get to the bottom of what really happened this book is purposely written to give you an eye opening experience and compel you to change your perspective regarding current explanations of popular events that made a huge impact on mankind each chapter talks about a specific event when it happened and why it happened

report on the intricate organization of the vatican including a biography of pope john by the former head of the time life bureau in rome

what the vatican doesn t want you to know the lies the conspiracies the cover ups the truth deep behind the walls of the world s holiest site is a dense network of lies corruption and conspiracies fueling the vatican s vast and unchecked influence on world events from the holy orders that defied the commandment thou shalt not kill to the scandals splashed across international headlines the vatican is no longer shrouded

in mystery legend and secrecy it's all here the shocking and unsolved murder of the corrupt vatican financier known as god's banker real life exorcism and shocking rumors of satanism the vatican's startling views on extraterrestrials and end of world prophecies the vatican's hidden ties to nazi germany and the mafia the bizarre rituals of the ultraconservative opus dei the vatican's ruthless 500 year war with the freemasons pope pius xii's anti semitic indifference to the plight of europe's jews and the holocaust and much more this utterly fascinating unflinching account is the most definitive exposé ever written about the most secretive institution in the world h. paul jeffers is the author of the bilderberg conspiracy freemasons inside the world's oldest secret society and freemasons in america inside the secret society among fifty other books he has appeared on c-span fox news and the history channel

the vatican its history its treasures by ernesto begni is an interesting look into the history and lore of the vatican located just outside of rome italy an icon of the catholic church the vatican has been a symbol of both power and of mystery and provided thousands of years worth of controversy and conciliation this book is an attempt to dispel some of those mysteries and offer the reader a rare glimpse into the majesty found within the walls of this hallowed institution begni's book begins an abridged version of the history of the vatican and a brief general description of the sprawling vatican palaces visible from miles around after which is a summary of the vatican palaces and gardens describing in intricate detail their majesty and design the book also covers the various state apartments and chapels such as the chapel of nicholas the sistine chapel the pauline chapel the appartamento the stanze of raphael and the loggie of raphael including a litany of historical facts and artifacts housed in each the book also discusses the vatican museums collections and the mosaic factory including in depth reviews of the new picture gallery the gallery of tapestries the egyptian museum the gregorian etruscan museum the museum of sculpture and ancient paintings the gallery of inscriptions and the christian museum of course treasures aren't only artistic or architectural and begni makes a point to explore the massive collections and library house at the vatican including the numismatic collection the hall of the geographical charts the vatican library and the vatican secret archives finally the book finishes with an in depth discussion of the vatican administration and influences of politics and religious shifts over the centuries the vatican its history its treasures is a complete source for information on all things vatican this book holds a great amount of interesting information for those interested in vatican secrets and mysteries whether it's politics history art literature or architecture with a veritable wellspring of information and plenty of gorgeous illustration this text is a great choice for any reader interested in the vatican and looking behind the veil of mystery about the publisher forgotten books publishes hundreds of thousands of rare and classic books find more at forgottenbooks.com this book is a reproduction of an important historical work forgotten books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy in rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition we do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

the new york times bestseller an earth shaking exposé of clerical corruption national catholic reporter in the closet of the vatican exposes the rot at the heart of the vatican and the roman catholic church today this brilliant piece of investigative writing is based on four years authoritative research including extensive interviews with those in power the celibacy of priests the condemnation of the use of contraceptives the cover up of

countless cases of sexual abuse the resignation of benedict xvi misogyny among the clergy the dramatic fall in europe of the number of vocations to the priesthood the plotting against pope francis all these issues are clouded in mystery and secrecy in the closet of the vatican is a book that reveals these secrets and penetrates this enigma it derives from a system founded on a clerical culture of secrecy which starts in junior seminaries and continues right up to the vatican itself it is based on the double lives of priests and on extreme homophobia the resulting schizophrenia in the church is hard to fathom but the more a prelate is homophobic the more likely it is that he is himself gay behind rigidity there is always something hidden in many cases a double life these are the words of pope francis himself and with them the pope has unlocked the closet no one can claim to really understand the catholic church today until they have read this book it reveals a truth that is extraordinary and disturbing
