The tempest. King Henry VIII. Two noble kinsmen. Edward III The Budget story books *Emmanuel Schwartz Brian Woolland Marina McCoy Peter A. French John D. Martin William Shakspeare William Shakespeare William Shakespeare Homerus Homer William Shakespeare William Shakespeare William Shakespeare Marvin Perry William Shakespeare William Shakespeare William Shakespeare William Shakespeare Budget story books*

this lavishly illustrated book explores the impact of the poet homer on four centuries of french artists through the lens of the ecole s superb collections of paintings prints and sculptures

she shares my tent she shares my bed her flesh is mine achilles the greatest of the achaeans refuses to fight angered that king agamemnon has stolen his captive trojan slave girl briseis drawn from the iliad and produced in collaboration with ashtar theatre from palestine brian woolland s taut and poetic new play for border crossings brings together homer s troy and the middle east of today worlds shaken by cycles of violence and revenge by ambition and self interest masquerading as idealism worlds struggling towards any possibility of reconciliation

mccoy examines how greek epic tragedy and philosophy offer important insights into the nature of human vulnerability especially how greek thought extols the recognition and proper acceptance of vulnerability beginning with the literary works of homer and sophocles she also expands her analysis to the philosophical works of plato and aristotle

in the course of his study of vengeance as a moral concept french exposes important distinctions between types of moral theories karmic and non karmic and between people who are morally handicapped and those who are morally challenged he examines concepts relevant to vengeance such as honor moral authority and evil and issues such as the rationality of revenge and proportionality in punishment book jacket

for the nearly three millennia since its creation the iliad s real story has gone undiscovered homer a blind poet as antiquity believed him to be created a powerful war story which must have enthralled his listening audiences but this story concealed another one far grander in design and immensely more clever in execution which can be discovered only by careful examination of the written text living in an age where literacy was minimal homer created this story for the gods and undoubtedly never expected any mortal to understand it homer s imaginative fantasy radically undermines traditional trojan war mythology and exposes the speciousness of war s glory the folly of the warriors who supposedly fight for it and the amorality of the gods who help them do so homer s great war poem great indeed war poem indeed is in its depths antiwar in piecing together the iliad s web of secret plans deeply hidden motives and subtle lies and deceptions and in the process identifying and discarding post homeric corruptions to the text we will find an iliad which is not a prelude to achilles glorious early death and the fall of troy but the opposite in a concealed ending towards which the entire story has been leading homer s own words will tell us how achilles as supplicated by priam chooses a long life without renown and goes home the greek army unwilling to fight without its greatest warrior leaves also sparing peaceful holy troy zeus favorite city and best hope for mankind homer tells this story with a brilliance that is almost unimaginable until one actually encounters it the real iliad is an immense intellectual challenge and an inexhaustible source of surprises far from a formalistically heroic epic as has long been thought it is an imaginative expression of the full creative powers of western antiquity s greatest author

vols 12 13 include the separately paged supplement warlock o glenwarlock by george macdonald

a collection of approximately 200 source documents which focus on the great ideas that have shaped western heritage the documents also provide a balanced treatment of political economic and social history
