lee gutkind s memoir of motorcycling and an ode to the solitude independence

and exhilaration of the open road few things loom as large in our imaginations as the idea of a cross country trip exposed to the elements and open to whatever challenges lie around the bend in the early 1970s looking to experience and explain the allure of the road trip lee gutkind embarked on a long motorcycle road trip documenting the misadventures and magic that he found along the way he writes of the men whose journeys continue to resonate from lawrence of arabia to the hell s angels he explores the appeal of the motorcycle his vehicle of choice and its historically loaded place in the american imagination and he revels in the country s diverse and striking landscapes as seen while moving through woods plains mountains and deserts an inspiring and evocative tribute to the power of the journey bike fever is a classic rendering of the unique freedom wrought by a motorcycle and a long highway

without question the 1964 1 2 mustang is one of the most important and influential cars in automotive history when ford launched the mustang it created an automotive revolution award winning designer and stylist gale halderman was at the epicenter of the action at ford and in fact his initial design sketch formed the basis of the new mustang he reveals his involvement in the project as well as telling the entire story of the design and development of the mustang authors and mustang enthusiasts james dinsmore and james halderman go beyond the front doors at ford into the design center testing grounds and ford facilities to get the real unvarnished story gale halderman offers a unique behind the scenes perspective and firsthand account of the inception design development and production of the original mustang with stinging losses from the edsel fresh in minds at ford the mustang project was an uphill battle from day one lee iacocca and his assembled team had a herculean task to convince henry ford ii to take a risk on a new concept of automobile but with the help of hal sperlich s detailed market research the project received the green light henry ford ii made it clear that jobs were on the line including iacocca

s if it failed the process of taking a car from sketch to clay model to prototype to preproduction and finally finished model is retraced in insightful detail during the process many fascinating experimental cars such as the mustang i two seater mustang ii prototype mustang allegro and shorty were built but eventually the mustang based on the existing ford falcon received the nod for final production in a gala event it was unveiled at the 1964 world s fair in new york the mustang received public accolades and critical acclaim and soon it became a runaway hit after the initial success ford designers and gale halderman designed and developed the first fastback mustangs to compliment the coupes the classic mustang muscle cars to follow including the gt mach 1 and others are profiled as well the mustang changed automotive history and ushered in the pony car era as a nimble powerful and elegantly styled sports coupe but it could so easily have stumbled and wound up on the scrap pile of failed new projects this is the remarkable and dramatic story of how the mustang came to life the demanding design and development process and ultimately the triumph of the iconic american car
