The author draws on scientific studies of tests and their uses to show how standardized achievement tests must play a central role in improving achievement in k 12 schools he explains the central considerations in developing and evaluating tests and tells how tests can best be best used covering such topics as using tests for student incentives paying teachers for performance and using tests in efforts to attain new state and national standards

With a surprisingly honest and hard hitting approach this scathing indictment of the modern black family postulates that a lack of appreciation for literacy in the african american household is the true cause of low scores on today s standardized tests arguing that television video games rap music and sports are all distractions from much needed study time the discussion stresses the significance of literacy in a child s future and the importance of parental involvement toward shaping that future in an educational climate where most of the blame for a child s poor performance is placed upon the teachers the curricula and the social structure of the schools this discussion ultimately places the responsibility back in the hands of the family and offers them suggestions for improvement

Schools around the world use online programs like accelerated reader and reading counts to improve students reading comprehension of real books but how can such software be used most effectively in this unique resource researcher keith topping analyzes independent research studies and brings you best practices on quality implementation to enhance effectiveness he explains the evidence base for the programs in a comprehensible way and addresses many common questions such as does it work how should it be implemented to make it work and is it cheaper and more efficient in teacher time than what we were doing before he also discusses best practices for using the assessment data for tailoring implementation in elementary vs high schools and for working with disadvantaged students appropriate for teachers literacy coaches curriculum leaders and other stakeholders the book will provide you with a strong research foundation and easily accessible information to help you fine tune your understanding of the reading programs and implement them more successfully in your schools and classrooms
