an international textbook designed as a quick introduction for students from around the world studying sociology of family this text provides comprehensive coverage of the major topics in the sociology of family life written in an easy access style it opens with a chapter on defining family and family structures it then moves on to discuss over a dozen major topics from interaction and meaning in families to sexuality david cheal provides coverage of these topics by drawing on a variety of international material most of the studies focus on contemporary family life but cheal also presents information on historical changes which have shaped family life as it is known today this book an incredibly valuable teaching tool as it presents diversity in family patterns through thinking about family life from a global perspective

this groundbreaking three volume set spotlights how conditions around the world are affecting the healthy development of adolescents in their respective environments on all six continents continually unstable or perpetually poor economic conditions globalization and rapid technological change are just three of the forces affecting a group 1 2 billion strong today a demographic poised to become our world leaders and catalysts in the not too distant future the world s adolescents led by two editors who have been dedicated to studying adolescent development worldwide for decades this novel collection of works from

contributors in more than 40 countries emphasizes how possibilities for healthy mental and physical development are affected by the difficulties youths face in their countries and how these challenges have shaped and are shaping contemporary teenage life today the set comprehensively addresses issues for adolescents across the globe such as the day to day challenges of poverty inadequate education violence or war disease reproductive matters globalization and technological challenges and more while also providing a strengths based focus in the volumes showing how and why some teenagers in each country have surmounted the challenges and forged stronger characters to better their worlds these stories document more than personal victories and their experiences matter to far more than the adolescents themselves in its state of the world's children 2011 report unicef noted that the world community needs to turn its attention to adolescents in need explaining that focusing on this large and potentially powerful group makes economic sense as well as being a necessary step in working towards achieving human justice by addressing the risks challenges and strengths of teenagers as a group in countries worldwide this work serves to break the cycle of poverty violence discrimination and death for adolescents

when it first appeared in 1995 the good marriage became a best seller it offers timeless clues to the secret of happy long lasting marriages based on a groundbreaking study of fifty couples who consider themselves happily married psychologist judith wallerstein presents the four basic types of marriage romantic rescue companionate and traditional and identifies nine developmental tasks that must be successfully undertaken in a good marriage separation from the family of origin up and down vicissitudes of early years children balance of work and home dealing with infidelities and more the men and women wallerstein interviewed readily admit that even the best relationship requires hard work and continuing negotiation especially in the midst of societal pressures that can tear marriages apart but they also convey an inspirational message for almost all of them feel that their marriage is their single greatest accomplishment the good marriage explains why and its lively mix of storytelling and analysis will challenge every couple to think in a profoundly different way about the most important relationship in their lives should be required reading for all who are interested in marriage walter menninger should prove a lifesaver for many couples publishers weekly will enrich the sparse literature on happy marriages usa today one of the nice things about the good marriage is its modesty it doesn't pretend to offer a philosophy or even a lecture on marriage it takes no position on the ideologically charged issues of women's marital roles and status equally important it ignores the two most common ways of talking about marriage as a contract negotiated between two equal parties and as the pathway to individual fulfillment for this reason it is refreshingly free of rights talk and therapy talk indeed wallerstein places much more emphasis on the development of good judgment and a moral sense than on the acquisition of effective communication or negotiation skills barbara dafoe whitehead the atlantic a lagniappe to enduring couplehood the strength of this study is that ms wallerstein a gifted interviewer persuades the couples to reveal their interior lives in rich explicit detail susan jacoby the new york times book review written in a masterful style that often reads like the best popular fiction wallerstein and blakeslee again combine their substantial talents deftly and entertainingly exploring the foundations of good marriages tara aronson san francisco examiner chronicle groundbreaking boston globe this is a wonderfully readable and immensely valuable book full of wise and original insights about the many many roads to marital happiness judith viorst with wisdom humor and sympathetic understanding judith wallerstein helps us recognize and rediscover the good marriage lucid psychologically sophisticated and generously wise david blankenhorn newsday historically informative as well

as profoundly wise psychologically joan m erikson for a long time as a rabbi i've been using the good marriage by the late judith wallerstein in my pre marital counseling she provides amazingly helpful insights which open up conversations and lead couples to think much more deeply about what they are getting themselves into and what they might need to do to keep their marriages strong rabbi carl m perkins a welcome addition to the field of literature on contemporary marriage the style is clear concise sensitive and occasionally personal her personal additions add warmth emotional consciousness and greater insight into what makes individuals and couples happy in their relationships this book has value for the many audiences interested in relational theory that want to approach relationships from a realistic and positive perspective nancy williford clinical social work journal in the good marriage wallerstein's new study of 50 married couples offers affirmation that the process of marriage itself presents a vehicle for transformation a best selling author wallerstein employs a thoughtful nonaggressive style that appeals to the general public wallerstein has performed an invaluable service in the good marriage elizabeth m tully m d journal of academy of child and adolescent psychiatry solid impressive those interested in social policy should be pleased that so well respected a liberal academic as ms wallerstein has written a book that celebrates marriage and points the way toward restructuring it wall street journal with extraordinary skill and compassion wallerstein and blakeslee take us inside the lives of fifty american couples and find that a good marriage still provides the best framework for enduring love and intimacy sylvia ann hewlett a very appealing book clearly written and clearly thought out library journal wallerstein's major contribution is not about how and why love lasts but about how and why love develops it is in such a context less idyllic but more realistic that the book will prove to be a lasting contribution readings a journal of reviews and commentary in mental health

life magazine is the treasured photographic magazine that chronicled the 20th century it now lives on at life.com the largest most amazing collection of professional photography on the internet users can browse search and view photos of today's people and events they have free access to share print and post images for personal use

the beta male revolution is for men in the 21st century what feminism was for women in the 1960s and 1970s says author and professional dating coach alan roger currie in his latest book most men don't want to remain just friends with women men want either sex only from women or a combination of sexual companionship and non sexual companionship unlike men women have as many as four types of men they want to spend time with men who women only want to spend time with for sexual enjoyment and satisfaction these are total alpha males men who women only want to spend time with for a combination of sexual companionship and non sexual companionship these are alpha males with a few beta traits and tendencies men who women want to spend time with primarily for the benefit of entertaining conversation enjoyable social companionship and financial assistance and support these are beta males with a few alpha traits and tendencies men who women only want to spend time with for strictly platonic friendship flattery and to have men provide them with an empathetic listening ear when they are feeling bored frustrated or depressed these are total beta males many women socially interact exclusively with alpha male types between the ages of 18 and 29 and then begin looking for a nice sweet polite monogamy oriented beta male type for marriage once they reach the age of 30 well the beta male types are tired of this routine and they are now avoiding proposing to marriage to women who they perceive as alpha male leftovers beta males are now well aware that the vast majority of women want to spend time with alpha

males for sexual enjoyment and satisfaction they are also well aware that most women want to spend time with beta males for platonic friendship financial favors and entertaining conversation the beta male revolution is a brutally honest assessment of where we as a society have been where we are now and where we are headed regarding the state of dating long term romantic relationships marriage and monogamy vs promiscuity vs polyamory women can also learn from this book because currie explains just why men pursue some women for short term non monogamous casual sex only while they pursue other totally different women for long term romantic relationships and marriage purchase this book right now and be educated and enlightened you are guaranteed to have a better understanding of the manner in which the mind of the opposite sex works and why men and women gravitate toward the type of romantic companions and sexual companions that they do after reading this book this book will be talked about for years to come

offers a detailed cultural history of weddings in america from 1945 to 2000 exploring the political social economic and demographic events that influenced the traditions and cost associated with weddings in the post war years

solomon and higgins have chosen excerpts from the great philosophical texts and combined them with the most exciting new work of philosophers writing today it examines the mysteries of erotic love from a variety of philosophical perspectives and provides an impressive display of wisdom that the world s best thinkers have brought and continue to bring to the study of love
