the authors present a number of case studies from the middle age to present time about how the past has been made meaningful and relevant to people living in later periods it is the process of selecting interpreting and passing on meaning that we call negotiating the past this process is loaded with tension in part stemming from the past itself but which is often due to the various agents involved in the process as they represent different interests understandings and points of view at the same time the process is marked by a wish to come to terms with unknown conditions to develop some consensus again not only with the past but also with one s contemporaries these dynamic and dialogical processes do not only concern the past as in history but rather a number of pasts which are sometimes in conflict but at other times harmoniously complement each other the book should be viewed as a contribution to the international and interdisciplinary field of collective memory which has grown large over the last decades today studies of commemorations and festivals monuments exhibitions and museums historical films and narratives are numerous and terms such as social memory collective or collected memory lieux de mémoire all demonstrate the scholarly interest in how the past or images of it is constructed composed and built up but also demolished dismantled and rejected to learn more about the processes when dealing with the past is an important key to understanding why and how societies and communities change and evolve the authors are norwegian danish and swedish scholars who have collaborated in a network on the subject between 2007 and 2009 they are employed at universities and university libraries throughout scandinavia contributors anders berge brita brenna bernard eric jensen helge jordheim kyrre kverndokk anne birgitte rønning leiv sem karen skovgaard petersen erling sverdrup sandmo anna wallette

emily dickinson s poetry is known and read worldwide but to date there have been no studies of her reception and influence outside america this collection of essays brings together international research on her reception abroad including

translations circulation and the responses of private and professional readers to her poetry in different countries the contributors address key translations of individual poems and lyric sequences dickinson s influence on other writers poets and culture more broadly biographical constructions of dickinson as a poet the political cultural and linguistic contexts of translations and adaptations into other media it will appeal to all those interested in the international reception of dickinson and nineteenth century american literature more widely
