excerpt these five plays were written in the order in which they appear now during the years 1916 and 1917 they would hardly have been written had it not been for the war although only one of them is concerned with that subject to his other responsibilities the kaiser now adds this volume for these plays were not the work of a professional writer but the recreation of a temporary professional soldier play writing is a luxury to a journalist as

insidious as golf and much more expensive in time and money when an article is written the financial reward and we may as well live as not is a matter of certainty a novelist too even if he is not in the front rank but i never heard of one who wasn t can at least be sure of publication but when a play is written there is no certainty of anything save disillusionment
