threaten to rip apart the fragile connection they've created and Tate is forced to make a choice that will change both their lives forever with suspense simmering underneath every moment of passion. *Ugly Love* is a whirlwind of lust, heartbreak, and dark revelations that build to a stunning crescendo for those drawn to the raw tension and psychological complexities of *Verity*. This is a riveting story where emotions erupt, secrets fester, and love may not be enough to heal the deep scars etched into the past.

Three of 1 New York Times bestselling author Colleen Hoover's most irresistible books—*Ugly Love*, *Maybe Someday*, and the novella *Maybe Not*—gathered together in one collection for the first time. *Ugly Love* When Tate Collins meets airline pilot Miles Archer, it isn't exactly love at first sight, but there is an undeniable mutual attraction. Once their desires are out in the open, they realize they have the perfect set up: he doesn't want love, she doesn't have time for a relationship, so that just leaves the mind-blowing sex. The arrangement could be seamless as long as Tate never asks about the past and doesn't expect a future. *Maybe Someday* Sydney's perfect life is thrown into disarray when she discovers that her boyfriend is cheating on her, and she finds herself captivated by her mysterious neighbor Ridge. Sydney can't take her eyes off him or stop listening to the passionate guitar music he plays every evening as the music swells. They soon find themselves needing each other in unexpected ways. *Maybe Not* Warren needs a roommate. Enter cold, calculating Bridgette. Tensions run high, and tempers flare, as the two can hardly stand to be in the same room together, but Warren has a theory: anyone who can hate with such passion must also have the capability to love with such passion. Will Bridgette find herself finally able to love?

From Colleen Hoover, the 1 Sunday Times bestselling author of *It Ends With Us*, a heart-wrenching love story that proves attraction at first sight can be messy. When Tate Collins meets airline pilot Miles Archer, she doesn't think it's love at first sight; they wouldn't even go so far as to consider themselves friends. The only thing Tate and Miles have in common is an undeniable mutual attraction. Once their desires are out in the open, they realize they have the perfect set up: he doesn't want love, she doesn't have time for love, so that just leaves the sex. Their arrangement could be surprisingly seamless as long as Tate can stick to the only two rules Miles has for her: never ask about the past, don't expect a future. They think they can handle it, but realize almost immediately they can't handle it at all. Hearts get infiltrated, promises get broken, rules get shattered, and love gets ugly.

The one thing that could save them might also be the very thing that pushes their marriage beyond the point of repair. A profound novel about a damaged couple whose potential future hinges on promises made in the past, can a resounding love with a perfect beginning survive a lifetime between two imperfect people? The *Hopeless* series concludes in *Finding Perfect*, when friends Daniel, Six, Holder, Sky, and Breckin are planning to celebrate Thanksgiving with a friendsgiving dinner at Sky's parents' house, but things have been off within the tightknit group, and when Daniel reaches out to Six to ask the hard questions he hasn't dared to bring up since they last spoke, he discovers that it's their shared secret that's casting a cloud over the holiday. Suddenly, Daniel must do everything he can to find answers for the one person he loves the most in the world, but will this search only lead to despair?
