2022 reprint of the 1962 edition exact facsimile of the original edition and not reproduced with optical recognition software from the back cover the author considers these critical questions in the beginning before god created adam mankind what was his original purpose and plan for him what could have happened in the garden of eden if adam had not sinned and god s redemptive plan had not become necessary we know that when god created adam he received natural life but how did god plan for adam to receive divine uncreated life what is the difference between god s creating and begetting work it is evident that god has given the cross a central place in his redemptive working what is the difference between the work of the cross and the way of the cross since god in the fullness of time will put on display his divine masterpiece before all the universe how can we fully cooperate with him if we do not understand his ultimate intention

if you want to fulfill the commandment go into all the world and preach the gospel to all creation mark 16 15 you must have a competent knowledge of the good news about jesus by arriving at your own understanding of who he is and what his plan is for humanity you ll be

equipped to efficiently share his life saving truths with others in this book the author seeks to help christians who want to learn of him and from him he urges readers to ask questions such as what do you personally believe about christ and his kingdom what essential doctrines must you adhere to if you want to claim to be a christian do your discovered beliefs pass the reality sniff test the author also stresses that unless you are living a holy life your pursuit of the gospel according to you is futile god only tells his deep truths to those who are living in obedience to him and his word he also only tells his mysteries to those who care to know

why do the nations rage why do the people waste their time with futile plans ps 2 1 we live in turbulent times and people are looking in every direction for answers this book is an effort by the author to put in print materials developed and used over a twenty five year career as a christian counselor it is the educational material without the interaction involved in face to face counseling the book examines the spiritual roots of a person s worldview and their impact on the decisions one has made over a lifetime it looks at the strategies a man has used to satisfy his deepest needs the book looks deeply into the soul of man by searching the mind and testing the truths a man believes and lives by it looks at man s emotional life and his struggles to master it and evaluates the intricate decision making process of daily life the book funnels this lifetime of information into four questions has your spiritual life enabled you to live a life described by fruits of the spirit how effective are you fulfilling your roles in life as a person are you living life on the basis of selfishness fear or love do you know how to abide in christ and walk the way

are you yearning for a drastic change in your church life are you tired of the status quo are you ready to abandon the traditional religious structures of culture in a postmodern christian landscape that is far too synthetic pretentious and trendy there exists a unique window of opportunity that has the potential to alter the present course of church history the question of the hour is how long will this window remain open and will it be taken advantage of as a true opportunity or will it just be added to the trash heap of so many former disappointing fads zeal for his house is a passionate and penetrating call to transcend all things institutional all of the cutting edge church trends are addressed along with a radical but practical alternative to the way church and ministry have been done for the past 1 800 years zeal for his house seeks to present nothing short of what would lead to the satisfaction of the divine intention a church that is rooted in the timelessness of god s eternal purpose and in the centrality of jesus christ zeal for his house picks up where the reformation left off

after 22 years of prayer study ministry observation and seeking god s will through it all the burden in my heart to teach disciples and raise up church leaders who are grounded in solid foundational principles has escalated into a powerful fervor therefore my spirit has been compelled to put these principles into writing for the edification of the glory of the lord for his kingdom many of these things have been taught in various forms and or pieces it has been my longing to put this to an organized instructional tool that will firm up the believer s heart and mind and establish a solid foundation for disciples to build their calling upon thereby launching the disciple s ministry for the purpose of accomplishing god s will for their lives like a drop of water spilled into a pool and rippling outward it is my expectation that these teachings will ripple out into the world and change many lives dr robert doc straube was born in 1950 in bethesda maryland growing up as a us navy dependant he lived all

around north america hawaii and the caribbean finally settling in the seattle washington area during his early college life he earned ph ds in psychology and business economics while teaching and studying at different institutions doc continually sought for spiritual truth studying various religions and philosophies finally through god s grace he received jesus christ as his personal savior and became a born again christian in 1981 the bible became his one and only source of truth desiring to have a complete and full relationship with jesus christ he earned his third doctorate in divinity church leadership through the love of jesus christ doc and his wife jackie fulfill their call and commitment by helping the church raise up disciples and training them to fulfill their ministry callings in jesus christ

are you overwhelmed with the trials of life of working for a living raising a family pursuing a dream or looking for a way to serve the god you love often it is helpful to open the bible and read about the men and women who struggled with many of the same challenges that you face then you will be reminded that the god of the bible carried them through their trials and was faithful to hear their cries when they called out to him in prayer we also have the witnesses of many godly men and women down through the ages whose stories aren t in the bible but their stories are just as true and encouraging my prayer for you is that these stories from both the bible and other sources will lift your spirits help you with your prayer life and remind you that our god is the faithful one even when we are not

in seth godin s most inspiring book he challenges readers to find the courage to treat their work as a form of art everyone knows that icarus s father made him wings and told him not to fly too close to the sun he ignored the warning and plunged to his doom the lesson play it safe listen to the experts it was the perfect propaganda for the industrial economy what boss wouldn t want employees to believe that obedience and conformity are the keys to success but we tend to forget that icarus was also warned not to fly too low because seawater would ruin the lift in his wings flying too low is even more dangerous than flying too high because it feels deceptively safe the safety zone has moved conformity no longer leads to comfort but the good news is that creativity is scarce and more valuable than ever so is choosing to do something unpredictable and brave make art being an artist isn t a genetic disposition or a specific talent it s an attitude we can all adopt it s a hunger to seize new ground make connections and work without a map if you do those things you re an artist no matter what it says on your business card godin shows us how it s possible and convinces us why it s essential

by taking a spiritual journey down memory lane coombs leads readers in revisiting the father s original design for mankind the redemption of man the supremacy of christ the nature of his life in believers the failures of the church and the ultimate glory and triumph of christ christian

a cock crows as eyes lock and peter remembers empty words so many well intended promises and fixed convictions vaporize as one fisherman s noble vow sours in bitter tears lord i m willing to go to prison and even to death with you jesus nods he sees he knows his impact on this simple galilean was as real as it was secure but the work was by no means finished how could this now crippled son of jonah have possibly wrapped his brain around participation in jesus s passion that he had to be sifted like wheat how about us our identification as believers with one who loved and gave himself is more than a nod with grateful approval a thank you jesus for what you ve done we too participate literally

actually necessarily sifting takes a believer's personal know how and determination to the threshing floor where they are crushed and dismantled crucified with Christ see it as the place where even your best efforts and my highest aspirations are exposed for what they are filthy rags at the cross and nowhere else can we find genuine rest and consummate relief by way of brokenness that leads to surrender life and that more abundantly

this book unlocks a glorious new perspective and God glorifying perspective that can give life full meaning and enlarge one's narrow universe a perspective that will surely strengthen and sustain the human spirit for real fruitfulness even amid adversity

this study explores God's original design for the relationships between men and women then moves into a discovery of His plan for reconciliation between men and women and Himself it leads the learner through a deeper exploration of the fashioned for intimacy book chapter by chapter it guides the Bible student to personally apply the principles of God's original design for male and female relationships in the home the workplace the church and everyday life it can be used for personal study or in a small group Bible study setting
