this book provides a valuable compendium of annual indices and rankings of cost of living for expatriates and cost of living wages and purchasing power for ordinary residents in 105 world's major cities over the period 2005-2015 now in its third edition the study reflects salient differences in costs of living for expatriate and ordinary urban dwellers which arise from variations in their lifestyles and consumption preferences this is of critical significance as cost of living for the former is usually conflated as that for the latter by the general public

this book explores the student discontent a year after the start of the 2015 south african feesmustfall revolt feesmustfall the student revolt that began in

october 2015 was an uprising against lack of access to and financial exclusion from higher education in south africa more broadly it radically questioned the socio political dispensation resulting from the 1994 social pact between big business the ruling elite and the liberation movement the 2015 revolt links to national and international youth struggles of the recent past and is informed by black consciousness politics and social movements of the international left yet its objectives are more complex than those of earlier struggles the student movement has challenged the hierarchical top down leadership system of university management and it s double speak of professing to act in workers and students interests yet entrenching a regressive system for control and governance university managements while on one level amenable to change have also co opted students into their ranks to create co responsibility for the highly bureaucratised university financial aid that stands in the way of their social revolution this book maps the contours of student discontent a year after the start of the feesmustfall revolt student voices dissect colonialism improper compromises by the founders of democratic south africa feminism worker rights and meaningful education in depth assessments by prominent scholars reflect on the complexities of student activism its impact on national and university governance and offer provocative analyses of the power of the revolt

power shift political leadership and social media examines how political leaders have adapted to the challenges of social media including facebook instagram twitter and memes among other means of persuasion established political leaders now use social media to grab headlines respond to opponents fundraise contact voters directly and organize their election campaigns leaders of protest movements have used social media to organize and galvanize grassroots support and to popularize new narratives narratives that challenge and sometimes overturn conventional thinking yet each social media platform provides different affordances and different attributes and each is used differently by political leaders in this book leading international experts provide an unprecedented look at the role of social media in leadership today through a series of case studies dealing with topics ranging from emmanuel macron and donald trump s use of twitter to justin trudeau s use of selfies and instagram to how feminist leaders mobilize against stereotypes and injustices the authors argue that many leaders have found additional avenues to communicate with the public and use power this raises the question of whether this is causing a power shift in the relationship between leaders and followers together the chapters in this book suggest new rules of engagement that leaders ignore at their peril the lack of systematic theoretically informed and empirically supported analyses makes power shift political leadership and social media an indispensable read for students and scholars wishing to gain new understanding on what social media means for leadership

the book provides a thorough overview of institutional research i r i e applied higher education research undertaken within universities in south africa it is a collection of essays focusing on the character and institutional setting of ir how ir is embedded into the mechanisms of steering shaping and reforming higher education and what the major results were of ir in select thematic areas the book is a valuable resource for higher education researchers and social researchers in south africa interested in higher education it yalso deserves to be read by practitioners and policymakers in the field of higher education in south africa it

serves as an interesting case study for higher education researchers all over the world
