a breakdown of the impact of the feminist movement on american culture from a conservative political analyst and commentator fifty years after betty friedan unveiled the feminine mystique relations between men and women in america have never been more dysfunctional if women are more liberated than ever before why aren t they happier in this shocking funny and bluntly honest tour of today s gender discontents andrea tantaros one of fox news most popular and outspoken stars exposes how the rightful feminist pursuit of equality went too far and how the unintended pitfalls of that power trade have made women and men miserable in a covetous quest to attain the power that men had women were advised to work like men talk like men party like men and have sex like men there s just one problem women aren t men instead of feeling happy with their newfound freedoms females today are tied up in knots trying to strike a balance between their natural feminine and traditional desires and what modern society dictates and demands through the commandments of feminism revealing the mass confusion this has caused among both sexes tantaros argues that decades of social and economic progress haven t brought women the peace and contentedness they were told they d gain from their new opportunities the pressure both to have it all and to put forth the perfectly post worthy filtered life for social media and society at large has left women feeling twisted meanwhile in their rightful quest for equality women have promoted themselves at the expense of their male counterparts leaving both genders frayed and frustrated in this candid and humorous romp through the american cultural landscape tantaros reveals how gaining respect in the office where women earned it made them stop demanding it where they really wanted it in their love lives the impact of this power trade has been felt in every way from sex to salaries to dating and marriage to fertility and female friendships to the personal details they share with each other as a result we ve lost the traditional virtues and values that we all want regardless of our politics intimacy authenticity kindness respect discretion and above all commitment with scathing wit and insights born of personal experience tantaros explores how women have taken guys off the hook in dating much to their own detriment and exposes how we ve become a nation averse to intimacy and preoccupied with porn one that has traded kindness for control intimacy for sexting and monogamy for polygamy sorry romance sorry decency and manners long talks over the telephone have been supplanted by the belfie all this indicates a culture that s devolving not evolving and it s only getting worse tied up in knots is a no holds barred gut check for the sexes and a wake up call for a society that has decayed faster than anyone thought possible it s time to remember what we all really want out of work love and life only then can we finally begin untying those knots

includes entries for maps and atlases

ten years ago rupert murdoch s fox news channel premiered to millions of cable subscribers across america murdoch s grand experiment was operating on little more than faith and an unswerving conviction that it could fill a niche cnn and the big three networks either could not or would not satisfy we know the rest of the story since its relatively modest premiere fox has become a true force by most ratings measures in fact murdoch s network has surpassed ted turner s cnn of course this would all make for an inspiring cinderella story if the character

living happily ever after wasn't the ugly stepsister fox presents itself without perceptible irony as a trusted news source its familiar slogans fair and balanced and we report you decide suggest an informed skeptical viewership but fox's viewers are empirically speaking less informed than other comparable news consumers and there's some evidence that it's fox itself that's made them that way fair and balanced my ass is a wide ranging irreverent and humorous look at america's no 1 cable news network in addition to examining fox's phony patriotism and piety its dishonest crusades and its well defined agenda and ratings driven techniques the book delivers a hearty slap down to the jewels in the murdoch crown including bill o reilly john gibson hannity and colmes neal cavuto fox friends brit hume et al the result is a hilarious and bracing read red meat for liberals and food for thought for anyone who is both amused by and concerned about journalism's continually eroding standards

william ching d 1791 of woolfardisworthy devonshire england was married to mary of bradworthy they had eight children their great grandson william ching 1819 immigrated with his wife mary ann walter to upper canada in the 1850s possibly settling in ontario they had seven children descendants live throughout canada and the united states
