iranian feminism and transnational ethics in media discourse examines the mediated dialogue of whitewednesdays specifically between u s mainstream news narratives and iranian activists on twitter these narratives highlight how hierarchies of visibility in both news and social media discourse overshadow transnational feminist politics while reinforcing femonationalist narratives such discourses seemingly support women in iran but simultaneously promote islamophobic messages aligned with u s geopolitical politics in a critical discourse analysis of the whitewednesdays campaign on twitter and mainstream u s news coverage of the movement this analysis complicates representations of iran muslim women and feminist politics the author also unpacks the politics of representation where voices on the ground are obscured in favor of elite sources who reaffirm u s islamophobic and xenophobic ideologies scholars and students of communication and media studies will find this book particularly interesting

new york times bestseller from the veteran political journalist and 60 minutes

correspondent a deep dive into the history evolution and current state of the american presidency and how we can make the job less impossible and more productive featuring a new post 2020 election epilogue this is a great gift to our sense of the actual presidency a primer on leadership ken burns imagine you have just been elected president you are now commander in chief chief executive chief diplomat chief legislator chief of party chief voice of the people first responder chief priest and world leader you re expected to fulfill your campaign promises but you re also expected to solve the urgent crises of the day what s on your to do list where would you even start what shocks aren t you thinking about the american presidency is in trouble it has become overburdened misunderstood almost impossible to do the problems in the job unfolded before donald trump was elected and the challenges of governing today will confront his successors writes john dickerson after all the founders never intended for our system of checks and balances to have one superior chief magistrate with congress demoted to the little brother who can t keep up in this eye opening book john dickerson writes about presidents in history such a washington lincoln fdr and eisenhower and and in contemporary times from lbj and reagan and bush obama and trump to show how a complex job has been done and why we need to reevaluate how we view the presidency how we choose our presidents and what we expect from them once they are in office think of the presidential campaign as a job interview are we asking the right questions are we looking for good campaigners or good presidents once a candidate gets the job what can they do to thrive drawing on research and interviews with current and former white house staffers dickerson defines what the job of president actually entails identifies the things that only the president can do and analyzes how presidents in history have managed the burden what qualities make for a good president who did it well why did bill clinton call the white house the crown jewel in the american penal system the presidency is a job of surprises with high stakes requiring vision management skill and an even temperament ultimately in order to evaluate candidates properly for the job we need to adjust our expectations and be more realistic about the goals the requirements and the limitations of the office as dickerson writes americans need their president to succeed but the presidency is set up for failure it doesn t have to be

an instant new york times bestseller terrific advice insightful stories and powerful life lessons curated by dana perino the 1 new york times bestselling author of and the good news is and beloved co host of fox news the five and america s newsroom inspired by her friends and colleagues i wish someone had told me is a blueprint for success in your life and career an all star line up of dana s lifelong friends and fox news personalities with wide ranging talents and accomplishments share amazing stories about their own experiences offering invaluable guidance and wisdom on a range of subjects including finding the right path and getting your foot in the door how to break out in your job and

the washington post journalist and legal expert ruth marcus goes behind the scenes to document the inside story of the brett kavanaugh confirmation battle and the republican plot to take over the supreme court thirty years in the making in this impressively reported highly insightful and rollicking good read the new york times book review in the summer of 2018 the kavanaugh drama unfolded so fast it seemed to come out of nowhere with the power of the metoo movement behind her a terrified but composed christine blasey ford walked into a senate hearing room to accuse kavanaugh of sexual assault this unleashed unprecedented fury from a supreme court nominee who accused democrats of a calculated and orchestrated political hit but behind this showdown was a much bigger one the washington post journalist and legal expert ruth marcus documents the thirty year mission by conservatives to win a majority on the supreme court and the lifelong ambition of brett kavanaugh to secure his place in that victory the reporting in supreme ambition is full of revealing and weighty headlines as marcus answers the most pressing questions surrounding this historical moment how did kavanaugh get the nomination was blasey ford s testimony credible what does his confirmation mean for the future of the court were the democrats outgunned from the start on the way she uncovers secret white house meetings intense lobbying efforts private confrontations on capitol hill and lives forever upended on both coasts this extraordinarily detailed the washington post page turner traces how brett kavanaugh deftly maneuvered to become the nominee and how he quashed resistance from republicans and from a president reluctant to reward a george w bush loyalist it shows a republican party that had concluded kavanaugh was too big to fail with senators and the fbi ignoring potentially devastating evidence against him and it paints a picture of democratic leaders unwilling to engage in the no holds barred partisan warfare that might have defeated the nominee in the tradition of the brethren and the power broker supreme ambition is the definitive account of a pivotal moment in modern history one that will shape the judicial system of america for generations to come

a breakdown of the impact of the feminist movement on american culture from a conservative political analyst and commentator fifty years after betty friedan unveiled the

feminine mystique relations between men and women in america have never been more dysfunctional if women are more liberated than ever before why aren't they happier in this shocking funny and bluntly honest tour of today's gender discontents andrea tantaros one of fox news most popular and outspoken stars exposes how the rightful feminist pursuit of equality went too far and how the unintended pitfalls of that power trade have made women and men miserable in a covetous quest to attain the power that men had women were advised to work like men talk like men party like men and have sex like men there's just one problem women aren't men instead of feeling happy with their newfound freedoms females today are tied up in knots trying to strike a balance between their natural feminine and traditional desires and what modern society dictates and demands through the commandments of feminism revealing the mass confusion this has caused among both sexes tantaros argues that decades of social and economic progress haven't brought women the peace and contentedness they were told they'd gain from their new opportunities the pressure both to have it all and to put forth the perfectly post worthy filtered life for social media and society at large has left women feeling twisted meanwhile in their rightful quest for equality women have promoted themselves at the expense of their male counterparts leaving both genders frayed and frustrated in this candid and humorous romp through the american cultural landscape tantaros reveals how gaining respect in the office where women earned it made them stop demanding it where they really wanted it in their love lives the impact of this power trade has been felt in every way from sex to salaries to dating and marriage to fertility and female friendships to the personal details they share with each other as a result we've lost the traditional virtues and values that we all want regardless of our politics intimacy authenticity kindness respect discretion and above all commitment with scathing wit and insights born of personal experience tantaros explores how women have taken guys off the hook in dating much to their own detriment and exposes how we've become a nation averse to intimacy and preoccupied with porn one that has traded kindness for control intimacy for sexting and monogamy for polygamy sorry romance sorry decency and manners long talks over the telephone have been supplanted by the selfie all this indicates a culture that's devolving not evolving and it's only getting worse tied up in knots is a no holds barred gut check for the sexes and a wake up call for a society that has decayed faster than anyone thought possible it's time to remember what we all really want out of work love and life only then can we finally begin untying those knots

ten years ago rupert murdoch's fox news channel premiered to millions of cable subscribers across america murdoch's grand experiment was operating on little more than faith and an unswerving conviction that it could fill a niche cnn and the big three networks either could not or would not satisfy we know the rest of the story since its relatively modest premiere fox has become a true force by most ratings measures in fact murdoch's

network has surpassed ted turner s cnn of course this would all make for an inspiring cinderella story if the character living happily ever after wasn t the ugly stepsister fox presents itself without perceptible irony as a trusted news source its familiar slogans fair and balanced and we report you decide suggest an informed skeptical viewership but fox s viewers are empirically speaking less informed than other comparable news consumers and there s some evidence that it s fox itself that s made them that way fair and balanced my ass is a wide ranging irreverent and humorous look at america s no 1 cable news network in addition to examining fox s phony patriotism and piety its dishonest crusades and its well defined agenda and ratings driven techniques the book delivers a hearty slap down to the jewels in the murdoch crown including bill o reilly john gibson hannity and colmes neal cavuto fox friends brit hume et al the result is a hilarious and bracing read red meat for liberals and food for thought for anyone who is both amused by and concerned about journalism s continually eroding standards

this business magazine covers domestic and international business topics special issues include annual report on american industry forbes 500 stock bargains and special report on multinationals

When somebody should go to the books stores, search creation by shop, shelf by shelf, it is truly problematic. This is why we provide the ebook compilations in this website.
