calderón and the baroque tradition is the outcome of a tricentennial commemoration of the seventeenth century spanish poet and dramatist pedro calderón de la barca and a tribute to a distinguished tradition in calderonian studies

at the university of toronto a major dramatist of the spanish golden age and a master of the auto sacramental genre calderón produced some one hundred and twenty comedias and eighty autos during his rather colourful lifetime this volume assembles an impressive collection of essays relating the baroque artistic tradition to such aspects of calderón s theatre as the use of music mythology costume and his distinctive dramatic technique it will be of interest and value both to students of spanish drama and hispanic life in general and to followers of calderón in particular

this volume examines the changing role of marian devotion in politics public life and popular culture in western europe and america during the nineteenth and twentieth centuries the book brings together for the first time studies on marian devotions across the atlantic tracing their role as a rallying point to fight secularization adversarial ideologies and rival religions this transnational approach illuminates the deep transformations of devotional cultures across the world catholics adopted modern means and new types of religious expression to foster mass devotions that epitomized the catholic essence of the nation in many ways the development of marian devotions across the world is also a response to the questioning of pope sovereignty these devotional transformations followed an ultramontane pattern inspired not only by rome but also by other successful models approved by the vatican such as lourdes collectively they shed new light on the process of globalization and centralization of catholicism

nos hallamos ante un libro necesario que además de cubrir un hueco tiene un valor historiográfico importante no es fácil hablar de música porque la música incluso si tiene texto se mueve en un mundo abstracto fuera de la palabra y cualquier acercamiento verbal no queda cercano a ella cualquier análisis por profundo que sea de una obra hecho con palabras aunque sean técnicas nunca va a hacerla sonar ante quien no la haya escuchado antes por muy profesional que sea se trata de una analogía verbalizada y nada más ya decía richard strauss que el único comentario válido para una obra musical sería otra obra musical pero además de escucharla para situarla en su contexto hay que hablar y pedro mombiedro lo hace de una manera contundente inteligible y atractiva por eso su lectura es recomendable es instructiva y además un placer ojalá invite también a escuchar tomás marco

el asentimiento religioso es un ensayo sobre la razonabilidad de la fe religiosa o mejor dicho de la certeza que tiene el cristiano sobre las verdades fundamentales del cristianismo en una carta a un amigo escrita en 1860 newman declara lo que pretendía con esta obra si escribiera un nuevo libro trataría sobre las pruebas populares prácticas y personales en favor del cristianismo en contraposición a las pruebas científicas su objeto sería probar que cualquier hombre culto o inculto tiene para su certeza los mismos derechos las mismas razones racionales que

puede tener un teólogo que domina las pruebas científicas su personalidad y su enseñanza pueden ser para nuestra época y el ecumenismo una fuente de inspiración para todos nosotros benedicto xvi

expecting the end of the world in medieval europe an interdisciplinary study examines the phenomenon of medieval eschatology from a global perspective both geographically and intellectually the collected contributions analyze texts authors social movements and cultural representations covering a wide period from the 6th to the 16th century in geographically liminal spaces where catholic byzantine islamic and jewish cultures converged the book is organized in eleven chapters which reflect and explore the following arguments the study of specific eschatological episodes in medieval europe and their interpretations the analysis of apocalyptic visionaries apocalyptic authors and their individual contributions the social and political implications of eschatology in medieval society the study of medieval apocalyptic literature from a rhetorical narratological and historiographical perspective the history of the transmission of apocalyptic literature and its transformation over time and a comparative examination of apocalypticism between the middle ages and the early modern era this study provides a lens through which academics specialists and interested researchers can observe and reflect on this entire eschatological universe dwelling both on well known texts authors and events and on others which are much less popular in gathering different paradigms tools and theoretical frameworks the book exposes readers to the complex reality of medieval anxiety regarding the end of the world
