the closely related biblical themes of covenant and law are among the most important in scripture in this esbt volume brandon crowe considers these themes throughout both old and new testaments laying out key principles such as our obligation to obey our creator how jesus perfect obedience to god s law opens the way to eternal life and what the law means for us today

in my years in the prayer ministry i have come to discover that there are many diverse views of prayer apprehensions misunderstanding misuse of prayer for financial gain through the exploitation of seekers of help thus in many instances the object of prayer praying to god has shifted from god to faith in men who promote prayer through wealth and healing ministries these

men promote prayer by manipulating their followers minds as the only power to gain wealth and healing while acting as their intermediaries between them and god to receive answers to their prayers their goal however is to make money on the backs of their followers who are manipulated to believe in the so called miracles they perform for them the power and true benefits are now shifting to false miracle working prayers of course there is a place for and power in intercessory prayer no one should be made to believe that there are some special people who alone who can and must pray to god to experience his blessing the single most important requirement of prayer is faith in god when personal faith in god is absent prayer dies and the experience of the power and blessings from prayer are lost faith however may not necessarily translate into victory in every circumstance what acts of faith do guarantee is that we will please god and eventually be rewarded by him the purpose of this book the prayer of faith praying with hope is to help everyone who prays to understand that prayer is first building a relationship with god through jesus and not just to receive or see miracles it explains that anyone who exercised faith in jesus can literally move the mountains in their lives if they prayed and prayed the right way faith treats things hoped for as a reality with a conviction that what is being asked for has a real answer faith is therefore mandatory for those who approach god faith is never easy it wasn't meant to be so but the more convinced we are of the reality of an all good all loving all powerful god the more our trust will grow and the least we will be overwhelmed by doubts and temptations how strong is your faith as thou has believed so be it done unto thee discover the secret the power and joy of praying by faith to move your mountains as you read on

this catechism is divided into three parts the first part treats of faith the second of morals the third

of the means of grace in the first part our lord appears in his character of teacher in the second in his character of king and in the third in his character of high priest and since this catechism proposes as its primary object to answer the question for what purpose are we here upon earth thereby emphasizing and giving prominence to man s high calling and destiny it is especially suited to the present day when the pursuit of material interests self indulgence and pleasure engrosses the attention of so many this catechism is in fact nothing more nor less than an abstract of our lord s teaching and may be called a guide book for the christian on the road to heaven preface
