international bestseller a contemporary literary classic and an accomplished psychological thriller absolutely chilling village voice from the pulitzer prize winning author of the goldfinch under the influence of a charismatic classics professor a group of clever eccentric misfits at a new england college discover a way of thought and life a world away from their banal contemporaries but their search for the transcendent leads them down a dangerous path beyond human constructs of morality

this series gives readers accessible and informative introductions to 30 of the most popular most acclaimed and most influential contemporary novels each title includes a biography of the novelist and a full length study of the novel

dreaming is essential to survival and evolution and to creative endeavors in every field moss traces the strands of dreams through archival records and well known writings weaving remarkable yet true accounts of historical figures influenced by their dreams

taking english culture as its representative sample the secret history of domesticity asks how the modern notion of the public private relation emerged in the seventeenth and eighteenth centuries treating that relation as a crucial instance of the modern division of knowledge michael mckeen narrates its pre history along with that of its essential component domesticity this narrative draws upon the entire spectrum of english people s experience at the most public extreme are political developments

like the formation of civil society over against the state the rise of contractual thinking and the devolution of absolutism from monarch to individual subject the middle range of experience takes in the influence of protestant and scientific thought the printed publication of the private the conceptualization of virtual publics society public opinion the market and the capitalization of production the decline of the domestic economy and the increase in the sexual division of labor the most private pole of experience involves the privatization of marriage the family and the household and the complex entanglement of femininity interiority subjectivity and sexuality mckeeon accounts for how the relationship between public and private experience first became intelligible as a variable interaction of distinct modes of being not a static dichotomy but a tool to think with richly illustrated with nearly 100 images including paintings engravings woodcuts and a representative selection of architectural floor plans for domestic interiors this volume reads graphic forms to emphasize how susceptible the public private relation was to concrete and spatial representation mckeeon is similarly attentive to how literary forms evoked a tangible sense of public private relations among them figurative imagery allegorical narration parody the author character reader dialectic aesthetic distance and free indirect discourse he also finds a structural analogue for the emergence of the modern public private relation in the conjunction of what contemporaries called the secret history and the domestic novel a capacious and synthetic historical investigation the secret history of domesticity exemplifies how the methods of literary interpretation and historical analysis can inform and enrich one another

the georgian era we are told was a polite and commercial era the supposedly refined aristocracy governed the nation while the bourgeoisie at the center of the largest empire the world had ever known expanded the nation's overseas trading interests while currying royal favors it was an era which witnessed the flowering of art literature and music but at the heart of the british empire was something rotten vice corruption and crime reigned supreme someone had had enough and decided to expose this and so in 1832 a curious book appeared for sale titled the secret history of the court of england written by olivia serres under the pseudonym of lady anne hamilton this was a sensational chronicle of the crime vice and debauchery designed to shock and

titillate its reader it contained a number of accusations against establishment figures was george iv guilty of bigamy what was the prince's true relationship with one mrs robinson did the duke of cumberland's servant mr sellis really commit suicide or was he murdered in cold blood all these questions and more will be answered in lady anne hamilton's secret history of the court of england originally published in 1832 and reprinted at long last

the secret history by donna tartt conversation starters the secret history donna tartt's first novel tells the story of social class murder and guilt richard an unhappy young man living in california relocates to vermont to study at hampden college he hopes to continue his greek studies however the classics course he wants to take is highly selective only the most impressive students are able to find their way in if he is going to enter the class he must get the attention and win over the group's leader professor julian morrow eventually richard becomes friends with the members of the classics course what he discovers however is that the group is full of secrets lies and multiple murders the secret history by donna tartt became an instant bestseller upon its release in 1992 and continues to attract readers worldwide a brief look inside every good book contains a world far deeper than the surface of its pages the characters and their world come alive and the characters and its world still live on conversation starters is peppered with questions designed to bring us beneath the surface of the page and invite us into the world that lives on these questions can be used to create hours of conversation foster a deeper understanding of the book promote an atmosphere of discussion for groups assist in the study of the book either individually or corporately explore unseen realms of the book as never seen before disclaimer this book you are about to enjoy is an independent resource to supplement the original book enhancing your experience of the book thief if you have not yet purchased a copy of the original book please do before purchasing this unofficial conversation starters

by exposing the perversion repression corruption and injustice at the heart of justinian's regime prokopios the secret history destroyed forever that emperor's reputation as the great and benevolent ruler of a vast byzantine state faithfully rendered here

in blunt and idiomatic english prokopios tell all is as shocking today as it was in the sixth century kaldellis substantial introduction addresses among other topics the historical background to the secret history prokopios literary style and major themes and the relationships between prokopios justinian and empress theodora maps genealogies a glossary and a selection of related texts including excerpts from prokopios wars and buildings and several contemporary documents enhance and support the reading of this scandalous and suspenseful book

one of the south s most urgent priorities in the civil war was obtaining the recognition of foreign governments edwin de leon a confederate propagandist charged with wooing britain and france opens up this vital dimension of the war in the earliest known account by a confederate foreign agent first published in the new york citizen in 1867 68 de leon s memoir subsequently sank out of sight until its recent rediscovery by william c davis one of the civil war field s true luminaries both reflective and engaging it brims with insights and immediacy lacking in other works covering everything from the diplomatic impact of the battle of bull run to the candid opinions of lord palmerston to the progress of secret negotiations at vichy de leon discusses among other things the strong stand against slavery by the french and a frustrating policy of inaction by the british as well as the troubling perceptions of some europeans that the confederacy was located in south america and that most americans were a cross between davy crockett and sam slick with france s recognition a priority de leon published pamphlets and used french journals in a futile attempt to sway popular opinion and pressure the government of napoleon iii his interpretation of the latter s meeting with confederate diplomat john slidell and the eventual mediation proposal sheds new light on that signal event de leon was a keen observer and a bit of a gossip and his opinionated details and character portraits help shed light on the dark crevices of the south s doomed diplomatic efforts and provide our only inside look at the workings of napoleon s court and parliament regarding the confederate cause davis adds an illuminating introduction that places de leon s career in historical context reveals much about his propagandist strategies and traces the history of the secret history itself together they open up a provocative new window on the civil war

following on from the success of volume 1 friedrich georg s second book in the series covers unconventional short and medium range weapons in particular this volume includes a wealth of information about the v rocket programme not just the more familiar v 1 and v 2 but special variants of these two rockets as well as later experimental craft and weaponry following a fascinating examination of pre war efforts to build flying bombs the author examines the v 1 and v 2 projects in great detail particular attention is paid to special variants that have previously received little coverage these include the v 2 a 4 america rocket and v 2s designed to carry nuclear and radiological warheads the capability of the germans to deploy such weapons is also discussed a large number of weird and wonderful projects that never left the drawing board are examined including the fr 35 v 6 v 101 waterfall and naval emw a 7 rockets the fascinating final section examines german plans to utilise such rocketry against london and paris in 1945 as well as recounting the activities of v weapons on other fronts including italy yugoslavia and the eastern front the text is supported by b w photographs and 16 superb pages of colour artwork including profiles computer generated images of designs that never flew and pictures of the author s own models

a history of the founding of the church about 1785 data about nonconformist ministers
