summer success 5-6 is the ideal book to help students review their skills over the summer and prepare for sixth grade. This unique series helps children bridge the summer gap by offering activities that not only review skills from the previous year but expand them to the next level by focusing on key subject areas and essential learning standards. These books will help ensure that children will perform confidently and completely in language arts grammar and reading. Provides important bridge activities over the summer months. Contains full color, lively illustrations. Covers key subject areas and learning standards. Comes with a skills checklist to assess progress. Includes a recommended summer reading list. Has a comprehensive answer key.

featuring practice tests to help students on writing sat essays. This prep guide includes sections that focus on algebra ii and higher level math skills as well. The accompanying cd contains three practice tests plus valuable information on paying for college.

Many of REA's acclaimed test prep books are also available with our powerful interactive test preparation software called Testware. Each Testware package includes one of REA's comprehensive test prep books plus timed, full-length computerized tests that simulate the actual exams by controlling the order of questions and enforcing time constraints. REA's Testware makes test preparation more like the actual exams than ever. REA's Testware automatically scores the user's performance, creates a detailed score report and suggests areas for further study. When compared with other test prep book and software packages, REA's Testware offers a number of significant advantages. Each book is accompanied by both Windows and Macintosh software. A quick on-screen tutorial gets the user started right away. On-screen text is superior in quality; graphics and mathematical symbols are sharp and clear. Reading passages are easy to read and scroll/pause button allows students to use study time efficiently. Students can suspend tests and resume at any time. Testware displays a list of questions featuring their answered or unanswered status and allows students to mark questions for later review. Testware has the ability to display multiple windows simultaneously.

allowing students to view a list of questions exam directions questions and explanations while testing unlimited toll free customer and technical support via phone fax internet or america online in sum rea s testware is extremely user friendly easy to install easy to learn easy to use and exceptionally helpful
