focusing on graduate accounting education the author contends that the existing graduate accounting programs are merely business school offshoots the american assembly of collegiate schools of business aacsb exercises control over graduate and undergraduate accounting education and is composed of business school deans in a number of business areas not purely in accounting the author thus believes that the quality of accounting education is reduced he proposes a graduate school of professional accountancy to both improve the quality of accounting education and to reduce its cost

the nraef is introducing a new program as part of its strategic focus on recruitment and retention

this new management training certificate program is based on a set of competencies defined by the restaurant foodservice and hospitality industry as those needed for success nraef managefirst program leads to a new credential managefirst professional mfp which is part of our industry career ladder this competency based program includes 12 topics each with a competency guide exam instructor resources and certificate students earn a certificate for each exam passed the topics and exams are aligned to typical on campus courses for example the controlling foodservice costs competency guide is designed to align with a cost control or operations management course competency guides and textbooks most guides are 150 200 pages in length and are designed to be used with traditional textbooks for each course area each guide contains the essential content for that topic learning activities assessments case studies suggested field trips research projects professional profiles and testimonials instructor resources are available electronically and include competency guide content notes indicating points to be emphasized recommended activities and discussion questions and answers to all activities and case studies exams exams accompany each topic covered in the competency guides pencil and paper and online exam formats are offered they typically are proctored on campus at the end of a course by faculty certificates the nraef provides a certificate to students upon successfully passing each exam the certificates are endorsed by the nraef and feature the student s name and the exam passed the certificates are a lasting recognition of a student s accomplishment and a signal to the industry that the student has mastered the competencies covered within a particular topic credential upon successful completion of five nraef managefirst program exams including three predefined core topics one foundation topic and servsafe food safety a student is awarded the nraef managefirst professional mfp credential there is no additional charge for the credential the program is targeted at the academic community the program is flexible for use at two year or four year restaurant foodservice and hospitality programs proprietary schools and technical vocational career education schools

the nraef is introducing a new program as part of its strategic focus on recruitment and retention this new management training certification program is based on a set of competencies defined by the

restaurant foodservice and hospitality industry as those needed for success. The ManageFirst program leads to a new credential, the ManageFirst Professional MFP, which is part of our industry career ladder. This competency-based program includes 12 topics, each with a competency guide, exam, instructor resources, and certificate. Students earn a certificate for each exam passed. The topics and exams are aligned to typical on-campus courses. For example, the Controlling Foodservice Costs competency guide is designed to align with a cost control or operations management course. Competency guides and textbooks most guides are 150-200 pages in length and are designed to be used with traditional textbooks. For each course area, each guide contains the essential content for that topic: learning activities, assessments, case studies, suggested field trips, research projects, professional profiles, and testimonials. Instructor resources are available electronically and include competency guide content, notes indicating points to be emphasized, recommended activities, and discussion questions and answers to all activities and case studies. Exams accompany each topic covered in the competency guides. Pencil and paper and online exam formats are offered. They typically are proctored on campus at the end of a course by faculty. Certificates: The Nraef provides a certificate to students upon successfully passing each exam. The certificates are endorsed by the Nraef and feature the student's name and the exam passed. The certificates are a lasting recognition of a student's accomplishment and a signal to the industry that the student has mastered the competencies covered within a particular topic. Credential: Upon successful completion of five Nraef ManageFirst program exams, including three predefined core topics, one foundation topic, and ServSafe Food Safety, a student is awarded the Nraef ManageFirst Professional MFP credential. There is no additional charge for the credential. The program is targeted at the academic community. The program is flexible for use at two-year or four-year restaurant, foodservice, and hospitality programs, proprietary schools, and technical/vocational career education schools. If you are interested in purchasing ManageFirst for your organization and you are not affiliated with a school or university, please email [managefirst@pearson.com](mailto:managefirst@pearson.com). So we can have someone from our business and industry group contact you directly.
