excerpt from the historical magazine vol 1 and notes and queries concerning the antiquities history and biography of america january 1857 in presenting to the public the first number of a magazine to be devoted to historical affairs we beg leave to submit the plan upon which it is to be conducted and the reasons which may justify its appearance about the publisher forgotten books publishes hundreds of thousands of rare and classic books find more at forgottenbooks.com this book is a reproduction of an important historical work forgotten books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy in rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition we do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

excerpt from the historical magazine vol 5 and notes and queries concerning the antiquities history and biography of america on the twenty fifth of november the governor sent a second

message demanding an appropriation to reimburse monies advanced to the army by the corporation of the city of new york to supply the wants which were unprovided for in the half way appropriation of the nineteenth of the preceding june but the assembly sullenly referred it to the committee of the whole in whose custody the former message had been placed and there it has remained unnoticed specifically until this hour about the publisher forgotten books publishes hundreds of thousands of rare and classic books find more at forgottenbooks.com this book is a reproduction of an important historical work forgotten books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy in rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition we do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

there is a common belief that australia acquired history only when it grew up and threw off its colonial origins after the second world war yet earlier generations of australians created their own histories to express their sense of who they were and what they might be this book reveals that the quest for an australian past found its way into our universities and schools from the early years of the commonwealth ernest scott was the most prolific teacher and writer of history in inter war australia a self taught degreeless professor he laid the foundations of a historical profession in this country and wrote the textbook that taught generations of schoolchildren the meaning of australian history an englishman and an imperialist active in public affairs he trained australians to understand their colonial past as a guide to nationhood at the time when australians debate their nationhood asianisation and the republic a history for a nation recalls a lost culture of urgent contemporary significance
