the triumphs the heartbreak the controversies the heroes and the villains south africa s sporting history is one of drama and greatness often it has been a drama acted out on a huge international stage but wherever south africans have played there has always been one spectator for whom it was more important than a game the sports writer

the meanings attached to sports in south african societies past and present are explored in this book which

focuses particularly on the part played by the prominent team sports of rugby soccer and cricket in the creation of social divisions and unities over the course of south african history in the past only white south africans could represent south africa in international sport now formerly white dominated sports have been promoted as unifying forces for a nation in the process of forging a new national identity the book considers the history and changing meanings attached to particular sports in the old and new south african and how sport is being used and abused today

by the 1920s much of the world was dance mad as dancers from buenos aires to tokyo from manchester to johannesburg and from chelyabinsk to auckland engaged in the charleston the foxtrot and a whole host of other fashionable dances worlds of social dancing examines how these dance cultures spread around the globe at this time and how they were altered to suit local tastes as it looks at dance as a social world the book explores the social and personal relationships established in encounters on dance floors on all continents it also acknowledges the impact of radio and sound film as well as the contribution of dance teachers musicians and other entertainment professionals to the making of the new dance culture

in this book douglas booth takes a fresh look at the role of sport in the fostering of a new national identity in south africa

this book provides an interpretation of sport in contemporary south africa through an historical account of the evolution and social ramifications of sport in the twentieth century it comprises chapters which trace the growth of sports such as football cricket surfing boxing and rugby and considers their relationship to aspects of racial identity masculinity femininity political and social development in the country the book also draws out the wider geo political significance of south african sport placing it in the context of the development of sport both elsewhere on the african continent and internationally the history of sport has seen significant international growth over the past few decades for the most part however the history of sport in africa has remained largely untraced by detailing the way in which sport s development in south africa overlapped with major socio political processes on the wider african continent this volume seeks to narrow the gap this book was previously published as a special issue of the international journal of the history of sport

this book represents the point of view of the modern non racial sports movement within south africa describes

the historical and social context of the movement and gives reasons for its continuing vitality

this book carries a powerful message about the important role sport plays in the development of a nation and what it takes to achieve success on the world stage john smit south africa s sportsmen and women have achieved huge success world champions and record breakers they have dominated sport internationally in the fields of rugby cricket swimming and soccer to name a few quest for glory examines sporting success through the eyes of numerous south african sports personalities including gary player bruce fordyce penny heyns ryk neethling baby jake matlala naas botha françois pienaar gary teichmann bob skinstad john smit paul treu shaun pollock oscar pistorius clive barker and tim noakes the book investigates questions such as what defines success what makes a good team great how important is the role of mental application what makes a team lose when they are expected to win or win when they are expected to lose how do successful teams and individuals plan and prepare effectively in doing so it considers a range of fascinating topics including big match temperament the pyramid of success mental toughness self confidence and self belief insightful entertaining and inspiring quest for glory uncovers the key to sporting success

these groundbreaking essays demonstrate how africans past and present have utilized sports to forge complex identities and shape africa s dynamic place in the world since the late nineteenth century modern sports in africa have both reflected and shaped cultural social political economic generational and gender relations on the continent although colonial powers originally introduced european sports as a means of civilizing indigenous populations and upholding then current notions of racial hierarchies and muscular christianity africans quickly appropriated these sporting practices to fulfill their own varied interests this collection encompasses a wide range of topics including women footballers in nigeria kenya s world class long distance runners pitches and stadiums in communities large and small fandom and pay to watch kiosks the sporting diaspora sports pedagogy sports as resistance and as a means to forge identity sports heritage the impact of politics on sports and sporting biography

marion keim maintains that through properly organized sport south africans can learn to play together with respect learn to all be on the same team and in the process contribute to the building of a new south africa

features a selection of 100 south african sports personalities who have either excelled at their sport and or

helped shape south african sport as we know it covers all the major sporting codes from the turn of the twentieth century to the present day such as mainstream sports such as rugby cricket soccer tennis and golf to less followed but equally fascinating disciplines such as surfing and freediving

as athletes of today grapple with how to use their public platforms to fight for activist causes sport and apartheid south africa histories of politics power and protest examines a set of longer histories of sport race and activism the book seeks to uncover and understand new historical aspects of apartheid and sport challenge myths and rethink dominant narratives it examines the subject of racially segregated sport in south africa from national and transnational perspectives asking questions about how athletes and administrators transnational anti apartheid groups and activists and politicians around the world interpreted and internalized racial segregation in south africa by connecting the local to the global this book illuminates the ways in which apartheid sport animated national and international debates ranging from racism and human rights to cold war politics and post colonialism sport and apartheid south africa is a significant new contribution to the study of race and politics in sport and will be a great resource for academics researchers and advanced students of history politics international relations sociology and political geography the chapters in this book were originally published in the international journal of the history of sport
