publisher description

it is universally recognised that venice and its lagoon are of such value that they constitute an international public good that must be preserved for humanity as a whole but such an ambitious task requires a diversified sustainable set of economic activities mostly focused on the production of services and non material goods this complex issue is analyzed using different approaches with a discussion of the case of venice as an example of some of the most relevant problems concerning the relation between the environment and development in the contemporary world the trade off between preserving an ecosystem and considering it as an economic resource the evolution of different urban growth scenarios and the preservation of

a physical habitat the role of immaterial production in urban economic development the nature of tourism as a sustainable activity considered from both from the environmental and cultural angles the institutional aspect of governing a process of sustainable urban development readership a unique resource for environmental and urban managers policy analysts students of sustainable development and anyone else interested in the social and economic implications of preserving one of the most loved and celebrated cities in the world

this book explores the lessons learned from half a century of caribbean cruise tourism one of the most popular and profitable sectors of the tourism industry the modern day cruise industry dates from the 1960s when the three major cruise lines carnival royal caribbean and norwegian set up shop in florida and began selling winter cruises to the caribbean targeting american retirees for geopolitical reasons the us initially excluded cruises to cuba this changed in 2016 following the historic obama castro agreement to move towards diplomatic trade and travel normalization cuba quickly became the caribbean s fastest growing cruise destination this book considers the limited economic benefits of cruise tourism its environmental and social impacts and the effects of climate change and overtourism based on this analysis and case studies of key caribbean and mediterranean destinations this book cautions against overdependence on cruise tourism and outlines reforms needed to bring more benefits and equity to caribbean countries it will be valuable to professionals businesses development agencies ngos and academics interested in a sustainable cruise industry and the economic well being of caribbean island nations

stressing the interconnectedness of tourism and culture this valuable handbook explores what tourism industry professionals need to know to succeed globalization landmark attractions and cultural heritage are among the topics discussed from both international and local perspectives each chapter also concludes with a comprehensive series of self assessment questions and a proposed task that professionals and students can do to enrich their cultural learning experience

international cases on tourism destination management and covid 19 provides students lecturers and practitioners with an essential real life resource on how different tourism destinations around the world have been impacted by and responded to the covid 19 pandemic these 34 in depth case studies from the americas the apac region europe and the middle east allow a global perspective and acts as a toolkit than can be used to design a better future for tourism destinations that embraces sustainability and collaboration for each case study secondary sources such as media articles industry and government reports campaign

materials websites and social media channels have been closely analysed in addition interviews have been conducted with destination marketers government officials tour operators professional guides and hotel managers to provide a holistic view for each destination each case study is structured around covid 19 impacts responses and outcomes and includes further reading video links and discussion questions to challenge students further in their self study and to encourage in class discussions this is an essential resource for tourism students and lecturers across the curriculum and a fascinating read for anyone in the business of tourism

overtourism has become a major concern for an increasing number of destinations as tourism numbers continue to grow stimulated by general economic and technological growth and the expansion of the global middle class this coupled with relentless promotion of tourism by many organisations and destinations has increased tourism despite growing opposition to excessive development this book is the first academic volume to deal with this topic and contains chapters by experienced researchers in the tourism field taking a multidisciplinary approach to review and explain the subject the introductory section begins with an overview of the current situation and the forces enabling the appearance of overtourism this is followed by a number of case studies from a range of destinations around the world both urban and rural which share the same problems the concluding section includes a discussion of potential mitigation methods and approaches and a final assessment of future developments the focus and relevance of this book are not just for academics as it offers insights into destinations enablers and solutions for how to address the issue of overtourism on a wide variety of scales this book offers globally relevant perspectives on destinations as varied as venice and barcelona that have gained global media attention as well as less publicised rural areas and developing destinations

this textbook explores the fundamental principles of marketing applied to tourism and hospitality businesses placing special emphasis on smes in the international tourism industry it includes examples from a wide range of destinations from emerging markets to high income countries taking a comprehensive approach the book covers the whole spectrum of tourism and hospitality marketing including destination marketing marketing research consumer behaviour and digital and social media marketing practical in focus it gives students the tools techniques and underlying theory required to design and implement successful tourism marketing plans chapters contain in depth case studies including companies like marine dynamics shark tours south africa reality tours travel mumbai india and makeover tours turkey thematic case studies include halal tourism in southeast asia and marketing and branding rwanda these illustrate key concepts and theory with

definitions key summaries and discussion questions providing further insights this textbook is ideal for undergraduate and postgraduate students looking for a comprehensive text with a practical orientation

venice italy travel and tourism venice is enchanting yes that may be cliché to say but once you see the city on the water for yourself you ll surely agree step off the santa lucia train station and the breathtaking grand canal will soon greet you you ll see water taxis coast along passing underneath the ponte degli scalzi bridge of the barefoot and might hear the faintest hint of a serenading violin or is that your imagination it might not be all in your head romantic gondolas carrying smitten couples glide through the web of the city s many waterways and gondola drivers are known to sing when the moment feels right on land narrow passageways twist past old world storefronts and residences and over bridges you should note that maps aren t all that helpful here and getting lost is the norm embrace the disorientation this canal clad city s main draw is its magical atmosphere but you ll also find quite a few diversions too the tour guides at st mark s basilica and the doge s palace give some great historical insight the gallerie dell accademia hangs works by titian veronese and other famed venetians and the teatro la fenice puts on some world renowned operas you can also travel to nearby islands like lido for the beach murano for the well known glass and burano for its lace

this book explores how tourism can drive positive change in our world it explores at the important connections between sustainability tourism and cultural preservation showing how these elements interact and influence each other by examining the effects of tourism on local communities and environments it emphasizes that responsible tourism can truly be a force for good this book features case studies from countries like saudi arabia portugal and china these examples illustrations show innovative approaches to support local communities while preserving their cultural heritage each case study offers a look at how tourism can help enhance social and economic development while also keeping a balance between cultural and environmental needs this book is for everyone policymakers scholars and industry professionals alike it brings together ideas from various fields and provides practical strategies for responsible tourism by inviting readers to rethink tourism s role in our increasingly globalized world it highlights its potential to encourage environmental stewardship and strengthen local identities ensuring that travel enriches our lives and helps preserve the cultural and natural treasures we hold dear

seminar paper from the year 2018 in the subject tourism miscellaneous grade 1 0 fresenius university of applied sciences hamburg language english abstract it is easter sunday 2018 and there are 125 000 visitors in venice a number that the

country of bangladesh welcomes annually the increasing in cheap airfare has triggered a boom in the tourism industry 2017 saw 1 3 billion international travelers a growth of 7 over 2016 there are more people travelling around the world than ever before moreover the way of traveling has changed from a few day trips including overnight stays in hotels and exploring the city and getting to know the locals to day or hour long trips in the 17th century a trip to venice was affordable by only the upper class of northern euro peans who visited the city as a part of their italian tour writers and artists were inspired by the magic of the lagoon city the most romantic of cities that is what visitors considered venice and it has that reputation still to this day tourism is the main economy of venice and it offers a lot of job opportunities but on the other hand it is one of the most touristic cities in the world with 30 million visitors annually and that for a city with a population of 55 000 tourists overflow the city they are not concerned in supporting sustainability of the city and not conscious about the negative impact they leave behind one could argue that tourism has become an issue rather than a resource for venice the natural environment of venice and its residents are suffering from their popularity and the effects of overtourism i would argue that all stakeholders in the tourism sector in venice need to urgently act and start building a sustain able future for the city to withstand overtourism and to save the city and its inhabitants from extinction this essay outlines positive and negative impact of overtourism in venice concerning the economy the social sector and its natural environment

for introductory courses in tourism travel and hospitality this second edition provides an accurate overview of today s tourism industry that s as interesting and multi faceted as the field itself written in a conversational style that s fun to read it takes a balanced business oriented look at each component of the industry including the role of the travel agent and the importance of transportation modes accommodations destinations attractions and food and beverage operations
