one of the most influential swedish theologians of the twentieth century gustaf wingren s career spanned more than forty years of upheaval both in his field and around the globe provocative and challenging wingren revelled in a good argument

and this attitude set the tone for much of his scholarship a swedish lutheran he made his name through his research into the theology of martin luther breaking away from both traditional interpretations of luther and the theology of his famous teachers karl barth and anders nygren before shifting his focus onto systematic theology in a fresh take bengt kristensson uggl delves into the influence of wingren s second wife greta hofsten on the direction of his theology hofsten a left wing political activist who was searching for a new language of faith wove wingren s work together with her own political philosophy to create an unusual kind of christian socialism her thinking had a profound effect on wingren causing him to recontextualise his older work entirely in becoming human again uggl examines how wingren s combative nature often served him well as a theologian driving him to engage with innovations in the field and re examine his older views

this book presents a comprehensive history of law and religion in the nordic context the entwinement of law and religion in scandinavia encompasses an unusual history not widely known yet important for its impact on contemporary political and international relations in the region the volume provides a holistic picture from the first written legal sources of the twelfth century to the law of the present secular welfare states it recounts this history through biographical case studies taking the point of view of major influential figures in church politics university and law it thus presents the principal actors who served as catalysts in ecclesiastical and secular law through the centuries this refreshing approach to legal history contributes to a new trend in historiography particularly articulated by a younger generation of experienced nordic scholars whose work is featured prominently in this volume the collection will be a valuable resource for academics and researchers working in the areas of legal history and law and religion

church resistance to nazism in norway 1940 1945 examines the evolution of the lutheran state church of norway in response to the german occupation while german protestant churches generally accepted nazism and state incorporation norway s churches rejected both nazism and ideological alignment arne hassing moves through the history of the church of

norway s relationship to the nazi state from its initial confused complicities to its open resistance and separation he writes engagingly of the people at the center of this struggle and reflects on how the resistance affected the postwar church and state

tidsskrift f r svensk antikvarisk forskning journal of swedish antiquarian research
