many evangelicals have come to embrace a populist eschatology that has neither the support of the historical church nor of the scholarly world today for some this has led to a disillusionment with eschatological speculations for others the results are apathy and a failure to understand the mission of god s people this is tragic for when the entirety of the new testament is read and understood from an eschatological perspective the grand narrative of scripture and its fulfillment in jesus comes clearly into focus a proper framework for understanding eschatology directly correlates to a proper understanding of the mission of god s people who are themselves carrying forth the biblical story as we approach the new jerusalem to fail to comprehend eschatology is to fail to comprehend our mission this book has two objectives first to provide a proper hermeneutical framework from which we may discern a biblical eschatological worldview second to demonstrate that a proper eschatological framework relates to the mission of god s people and the demand for holiness thus eschatology matters
