how do the arts in worship form individuals and communities every choice of art in worship opens up and closes down possibilities for the formation of our humanity every practice of music every decision about language every use of our bodies every approach to visual media or church buildings forms our desires shapes our imaginations habituates our emotional instincts and reconfigures our identity as christians in contextually meaningful ways generating thereby a sense of the triune god and of our place in the world glimpses of the new creation argues that the arts form us in worship by bringing us into intentional and intensive participation in the aesthetic aspect of our humanity that is our physical emotional imaginative and metaphorical capacities in so doing they invite the people of god to be conformed to christ and to participate in the praise of christ and in the praise of creation which by the spirit's power raises its peculiar voice to the father in heaven for the sake of the world that god so loves

theologian steven félix jäger offers a theology of renewal worship including its biblical foundations how its global nature is expressed in particular localities and how charismatic worship shapes the community of faith with this guidance the whole church might better understand what it means to pray come holy spirit

you were not just called to sing you were called to lead to carry the presence and to

shepherd hearts into the throne room of god the worship leader s master training manual called to worship equipped to lead anointed to shepherd hearts to the throne room of god is more than a guide it s a divine commission for every worshipper longing to grow in calling character and spiritual authority whether you re a seasoned worship pastor or just stepping into ministry this powerful resource equips you to lead with anointing authenticity and biblical understanding packed with timeless truths real life examples old and new testament insights daily disciplines practical tools and prophetic encouragement this manual prepares you to lead worship not just with skill but with a surrendered heart that attracts heaven s attention learn how to build effective worship sets care for your team steward your influence and maintain a spirit filled lifestyle every day this is your call to rise not as a performer but as a true worshipper and leader if god has placed a song in your spirit this is your training ground now lead with power purpose and passion

with raw transparency and straightforward truth alysia rieg shares candidly the things she went through emotionally and mentally throughout her time of loss and grief she describes with exquisite detail and gentle passion the pivotal moments and challenges that brought her from being a lost and hopeless victim to a triumphant and victorious overcomer alysia begins for such a time as this with an obvious but necessary acknowledgment life is filled with many shortcomings trials losses disappointments and failures but encourages us that we can choose to not be a casualty of our circumstances for such a time as this includes a thirty day fitness program using exercises and daily techniques that will transform not only your body but your heart and mind leaving you inspired empowered and with the desire to courageously take back your life and become all that you were created to be why not choose today to begin your transformation so that you can walk confidently through the successful and purposeful life you were meant to live for such a time as this is for such a time as this

the title of dr harris book suggests that life is like a two sided coin it can be an ocean of love but can also be a sea of troubles the subtitle clarifies this paradox first there are many signs of god s reality and activity in the world and the first section of the book examines ways in which people are aware of god as both a creative and immanent presence in life the signs of god are not philosophical proofs but empirical realities accessible to all people in the second section the biblical responses to suffering in the world are explored through both old and new testaments in the third section the writings of two modern apologists c s lewis and philip yancey are assessed and then finally there is a chapter of interviews with people who have known suffering in their lives

the wide spectrum of links and interrelations found amongst the diversity of human sexual expressions and spiritual practices around the world constitutes one of the most fruitful grounds of scholarly research today exploring sexuality and spirituality introduces an emerging academic field of studies focused on the multiplicity of problematizations intersecting spirituality and sexuality from eroticism and ecstasy embodiments to inner spiritual cultivation intimate relationships sex education and gender empowerment this collection of essays addresses subjects such as prehistoric art queer theology bdsm tantra the song of songs la petite mort
