criticism of woolf is often polarised into viewing her work as either fundamentally progressive or reactionary in this 2007 book steve ellis argues that her commitment to anxiety about modernity coexists with a nostalgia and respect for aspects of victorian culture threatened by radical social change ellis tracks woolf's response to the victorian era through her fiction and other writings arguing that woolf can be seen as more post victorian than modernist he explains how woolf's emphasis on continuity and reconciliation related to twentieth century debates about victorian values and he analyses her response to the first world war as the major threat to that continuity this detailed and original investigation of the range of woolf's writing attends to questions of cultural and political history and fictional structure imagery and diction it proposes a fresh reading of woolf's thinking about the relationships between the past present and future

loathing anger shame and deep affection virginia woolf's relationship with her servants was central to her life like thousands of her fellow britons she relied on live in domestics for the most intimate of daily tasks her cook and parlour maid relieved her of the burden of housework and without them she might never have become a writer but unlike many of her contemporaries virginia woolf was frequently tormented by her dependence on servants uniquely she explored her violent often vicious feelings in her diaries novels and essays what the reader might well wonder was it like for the servants to live with a mistress who so hated giving her orders and who could be generous and hostile by turns through the prism of the writer's life and work alison light explores the volatile emotional territory which is the hidden history of domestic service compared to most employers in britain between the wars leonard and virginia woolf were free and easy life in the bloomsbury circle of writers and artists was often fun yet despite being liberal in outlook these were also households where the differences in upbringing and education were acute employers and servants were still us and them the women who worked for the woofs like other domestic servants have usually been relegated to the margins of history yet unearthing their lives reveals fascinating stories of sophie farrell the victorian cook and family treasure who ended her days in a london bed sit lottie hope the parlour maid a foundling who'd been left on a doorstep like a parcel and nellie boxall the woofs cook who was finally dismissed after sixteen

years of rows and reconciliations only to find herself a more glamorous job Mrs Woolf and the servants is a riveting and highly original study of one of Britain's greatest literary modernists ultimately though it is also a moving and eloquent testimony to the ways in which individual creativity always needs the support of others

Jacob's Room is Virginia Woolf's experimental third novel set in England as the country moves inexorably toward the outbreak of World War I. The text reprinted in this Norton Critical Edition is the first British edition produced by the Woolfs at the Hogarth Press with the original layout and paragraph spacing. A generous Contexts section provides extracts from Woolf's diaries and letters as well as comments on the novel from her fellow writers and friends among them E. M. Forster and T. S. Eliot. Three of Woolf's short stories, 'The Mark on the Wall', 'Kew Gardens', and 'An Unwritten Novel' are included, allowing readers to trace Woolf's experimentation with the new narrative method she used in Jacob's Room. A fourth short story, 'A Woman's College', from outside was originally intended by Woolf to be chapter 10 of Jacob's Room and is therefore also reprinted in this volume. Finally, Woolf's classic essay 'Modern Novels' provides insight into her literary aesthetic and technique. Criticism is divided into two sections: the first, 'Contemporary Reception and Reviews', collects personal responses to Jacob's Room from Lytton Strachey and E. M. Forster as well as eleven reviews from contemporary periodicals; the second, 'Critical Essays', offers insightful interpretations by Judy Little, Alex Zwerdling, Kate Flint, Kathleen Wall, and Edward L. Bishop. A selected bibliography is also included. Book jacket.
