this book brings together information about the neurobiological genetic and behavioral bases of reading and reading disabilities research findings and intervention approaches by leaders in the field are presented the volume provides essential reading for a range of researchers clinicians and other professionals interested in reading and reading disability

a great deal of political and academic responses to the israel palestine conflict have construed the palestinians as an object of western and israeli discourses rather than their own palestinian discourse this has hindered understanding of the internal mechanisms involved in the production of the palestinian conditions palestinian political discourse presents an in depth examination of palestinian political discourse since an nakba in 1948 and stitches together the underlying mechanisms and rules that have shaped palestinian politics in turn synthesizing interpreting and scrutinizing these rules studying the question of palestine discursively offers new ways to rethink political agency structures identity institutions and power relations while interpreting palestinian actions this book adds new understanding to palestinian political agency by explaining how political actions were constructed discourse analysis methodology underlies the critical examination of the genealogy of concepts and frames that have oriented palestinian political thought contrary to established views that ascribe shifts in palestinian politics primarily to external factors and international changes this book demonstrates how transformation has been a continuing inbuilt feature within the discursive regime and that dramatic shifts were only effects of much deeper slowly evolving changes examining discourse and thus language offers an exceptional possibility to see from the palestinian perspective as such this book provides material vital to the deeper interpretation of the palestinian question it will be a valuable resource for students and scholars of israel palestine studies middle east studies and discourse analysis

few empirical studies of arab countries have dealt with political culture and political socialisation or focused on people s beliefs values and attitudes towards the government or political leaders mainly because the regimes have been reluctant to allow opinion to be tested the significance of this book is that it assesses the influence of state ideology on the new generation of libyans and examines their political culture

the practice of perioperative transesophageal echocardiography provides over 100 teaching cases ranging from the most common to the most challenging each case is

succinctly presented in an easy to read question answer self test format comprised of three printed pages of text and echo images echocardiography technique interpretation and case management are emphasized by internationally recognized experts in the field the cases cover the gamut of clinical problems as well as challenges related to image optimization and artifacts the versatility of tee is represented by 2 d 3 d color flow and spectral doppler tissue doppler imaging and quantitative assessments of volumes pressures and the severity of valvular pathologies a companion website contains the fully searchable text plus echocardiographic video clips for each case

in 1856 the us supreme court denied dred scott now free of slavery his constitutional rights solely because he was black according to the court when the constitution was drafted some 60 years earlier its authors would not have intended that a subordinate and inferior class of beings qualified as citizens of the united states thus the meaning of language drafted over half a century before was frozen in time this case perhaps more than any other demonstrates that the matter of statutory interpretation is critical technical and sometimes highly emotive the case is not a mere nugget from history to indulge our disgust with values of another age and with it a satisfaction of our progress to today s higher moral ground it is the unfortunate case that the senior courts of england continue to produce highly contentious interpretations of our equality and discrimination laws this book examines these cases from the perspective of statutory interpretation the judge s primary function the scrutiny finds the judgments technically flawed overcomplicated excessively long and often unduly restrictive as such this book explains how the cases should have been resolved using conventional methods of interpretation this would have produced simpler technically sound judgments rather like the case of dred scott these were easy cases producing bad law

the book is a study of political development in bahrain during the first five years after its independence in 1971 it is based on field research done by the author as the first senior fulbright scholar in that country the book was banned in bahrain for 30 years but was allowed to be published in arabic in that country in 2006 the study focuses on the tribal structure of bahraini society and the rule of a minority sunni government by al khalifa family over a largely disenfranchised shia majority to examine the making of the new state the book analyzes the nature and characteristics of the bahraini tribal society the educational system of modern bahrain the nature of the political system and popular demands for participation in decision making the book also examines the making of the new constitution the first ever national election to both the constitutional

assembly and the national assembly and the electoral campaigns and candidates the book also discusses the restrictions on freedoms of speech and assembly the denial of women the right to vote the banning of political parties and the role of clubs as surrogate political gathering places the exclusion of the shia majority from the economic and political centers of power and the absence of government accountability and transparency the february 2011 popular uprising in bahrain underscores some of the key challenges discussed in the book especially the autocratic nature of the regime and the urgency of political reform for domestic stability
