the building of railways has had a profound but largely ignored physical impact on britain's coasts this book explores the coming of railways to the edge of britain the ruthlessness of the companies involved and the

transformation of our coasts through

there is growing interest internationally in the contributions which the creative arts can make to wellbeing and health in both healthcare and community settings a timely addition to the field this book discusses the role the creative arts have in addressing some of the most pressing public health challenges faced today providing an evidence base and recommendations for a wide audience this is an essential resource for anyone involved with this increasingly important component of public health practice

from the publishers of the market leading at a glance series comes this new title on all aspects of caring for patients in the perioperative environment from pre operative care through the anaesthetic and surgical phases to post operation and recovery this easy to read quick reference resource uses the unique at a glance format to quickly convey need to know information in both images and text allowing vital knowledge to be revised promptly and efficiently brings together all aspects of perioperative practice in one easy to read book moves through the patient journey providing support to perioperative practitioners in all aspects of their role covers key information on perioperative emergencies includes material on advanced skills to support advanced practitioners each topic is covered in two pages allowing for easy revision and reference this is a must have resource for operating department practitioners and students theatre nurses and nursing students and trainee surgeons and anaesthetists

the christian coptic heritage of egypt remains poorly studied from the perspective of heritage management and is also at risk from a number of external and internal factors this book offers an examination of the threats to these monuments through an analysis of the management of three heritage sites

this comprehensive gazetteer and guide to historic synagogues and jewish heritage sites in britain and ireland has been fully revised and updated in this second edition and celebrates in full colour the undiscovered heritage of anglo jewry

poverty in britain is at post war highs and even with economic growth is set to increase yet further food bank queues are growing levels of severe deprivation have been rising and increasing numbers of children are left with their most basic needs unmet based on exclusive access to the largest ever survey of poverty in the uk and its predecessor surveys in the 1980s and 1990s stewart lansley and joanna mack track changes in deprivation and paint a devastating picture of the reality of poverty today and its causes shattering the myth that poverty is the fault of the poor and a generous benefit system they show that the blame lies with the massive social and economic upheaval that has shifted power from the workforce to corporations and swelled the ranks of the working poor a group increasingly at the mercy of low pay zero hour contracts and downward social mobility the high levels of poverty in the uk are not ordained but can be traced directly to the political choices taken by successive governments lansley and mack outline an alternative economic and social strategy that is both perfectly feasible and urgently necessary if we are to reverse the course of the last three decades one of listmuse s greatest british politics books

is there such a thing as an international law of which to be afraid can international law be seen as a coherent set of norms or is it rather something experienced radically differently by different individuals and groups in different parts of the world and what do the different sets of international law seek to change or justify today noted authorities in this field respond to raimond gaita s invitation to explore ways in which international law constitutes a certain way of talking and being one that might have both ameliorative and malign effects the result is an extended and rich conversation about international law s aspirations and limitations its nuances and rigidities achievements and failures relevance and irrelevance academics and students in law international studies philosophy as well as the educated general reader will find this book fascinating series philosophy subject legal philosophy international law
