featuring selections from around the globe introduction to world philosophy a multicultural reader provides a diverse and engaging introduction to five key areas of philosophy ethics philosophy of mind and self epistemology metaphysics and philosophical theology the editors have arranged these topics according to their increasing complexity from the most concrete ethics to the most theoretical philosophical theology making the material as accessible as possible for students organized both chronologically and geographically the anthology s five parts include readings from indian chinese greek christian jewish islamic spanish latin american and african traditions as well as selections from early modern kantian and post kantian philosophy introduction to world philosophy contains 136 selections 24 by women organized into 25 chapters these chapters are divided into 93 sections each of which opens with a detailed introduction that prepares students for the readings that follow the parts and chapters can be used in any order and in any combination the text s unique modular structure gives instructors great flexibility in designing and teaching introduction to philosophy courses the book is further enhanced by a glossary a companion website at oup.com/us/bonevac and an instructor s manual available both in print and on a cd that offers suggested syllabi discussion questions test questions suggested readings and powerpoint slides

after a critical discussion of several current positions in educational philosophy the book focuses on communication reason and voluntary action as sources of principles that are integral to philosophy and education the work applies its foundational principles in two ways it shows how they compare with the educational views of social constructivism and of critical theory it also devotes a chapter length discussion to several curricular topics likely to be facing educators in the future higher order thinking skills multicultural education and higher technology

the author presents a two tiered analysis that views postmodern legal thought as both a collective intellectual movement and as the work of particular theorists notably friedrich nietzsche michel foucault jacques derrida francois lyotard and richard rorty he concludes that even though postmodern thought does not give rise to a normative theory of right that can be used as a framework for deciding cases it can focus attention on genealogy and discourse and can empower those who have been denied a voice in the legal system annotation copyrighted by book news inc portland or

covers topics in philosophy psychology and scientific methods vols 31 include a bibliography of philosophy 1933

this important collection of essays offers a sustained philosophical examination of fundamental questions raised by

multicultural education in primary and secondary schools the essays focus on both theory and policy they discuss the relation between culture and identity the role of reason in bridging cultural divisions and the civic implications of multi culturalism in the teaching of history and literature several of the essays examine aspects of multicultural policies in california and new york as well as the curriculum guidelines promulgated by the national council for social studies although much has been published on the subject of multi culturalism including the cultural war on american campuses there is very little available on the impact of multicultural policies for primary and secondary education so this is a volume that will be welcomed by all those interested in multicultural education philosophers and historians of education sociologists professional educators and policy makers

fifteen essays address subjects ranging from the history of feminist ethics to the logic of pluralist feminism and present feminist perspectives on such topics as terrorism bitterness women trusting other women and survival and ethics paper edition unseen 14 95 annotation copyrighted by book news inc portland or

this volume provides a lucid and distinct introduction to multiculturalism and the philosophy of social science distinct engaging and timely multicultural approach clear non technical overview of the nature of social inquiry first volume of outstanding new contemporary philosophy series

a collection of original essays by scholars of multicultural and bilingual education which serves as an ideal introduction to both fields a review of selected multicultural publications and a descriptive analysis of teacher education models related to the process of multiculturalism provides the reader with a unique overview of this rapidly growing area
