whatever your shopping style diligent researcher casual browser or determined time saver
consumer reports is there with its all new 2004 edition of the buying guide trusted
product reviews comparisons test results and ratings of over 800 products combined with
the expertise of consumer reports will help you in making your buying decisions for the
entire year

since its first auto test 50 years ago consumer reports has become the no 1 source that car
buyers turn to when buying a new or used vehicle usa today consumer reports is the
definitive authority on unbiased automotive ratings

buying a car can be a smart idea a car loses the lion s share of its value when it is
driven off the new car lot so why let someone else take that loss but buyer beware a used
car is likely to need more repairs and may come with a short warranty or none at all in

addition used cars may lack the latest safety features that is why it is so important for consumers to do extensive research so they can avoid all of the potential pitfalls of buying a used car the auto experts at consumer reports have done the work for you and have compiled their extensive research and report their findings into the 2007 edition of used car buying guide this fabulous tool will help steer any consumer who is in the market for a used car towards the better performing and more reliable used car models and away from those models with a troubled past or substandard performance before consumers set foot on a used car lot they should read all the valuable information provided in this book so they can be armed with as much information as possible and the knowledge to make an educated choice consumer reports knows cars and offers the most detailed and revealing used car reliability information available anywhere including unbiased reviews of every major model from 1999 2006 lists of the best and worst used vehicles and how to avoid a lemon a checklist of what to look for when inspecting a used car best used cars for gas mileage tips on negotiating the best price reliability recalls and crash test information making sense of safety information how to get the most money when trading in your current car the majority of this book is devoted to the profiles of 264 cars minivans suvs and trucks presenting all major 1999 2006 models each profile contains a photo from the representative year a write up of the vehicle reliability history crash test data and the model years when key safety gear was added and when a major redesign was made

for more than thirty seven years millions of consumers have turned to edmunds buyer s guide for their shopping needs this format makes it easier for consumers to get the advice and information they need to purchase their next new vehicle readers benefit from features such as comprehensive vehicle reviews easy to use charts that rate competitive vehicles in popular market segments expanded in depth advice on buying and leasing editors and consumers ratings larger photographs predicted resale values for all models in addition to these features vehicle shoppers can benefit from the best that they ve come to expect from the edmunds name in depth articles on all new vehicles crash test ratings from the national highway traffic safety administration and the insurance institute for highway safety warranty information and more
