new case law for illinois iowa pennsylvania south dakota washington and west virginia new section on discrimination based on immigration status new reference for state qui tam suits new case law on specific enumeration of disciplinary causes or steps giving rise to inference of employment security new case law on disclaimers new case law on identifying sources of public policy clearly new case law on constitutional provisions satisfying the clarity element of a public policy tort new case law on jeopardy to public policy when statutory remedies exist new case law on jeopardy to public policy when the contract protects employees extensive analysis of the supreme court s epic systems decision and its implications for employee class actions new analysis of notice pleading requirements in employment cases new case law on whistleblower protection of shareholder employees new case law on the scope of public sector whistleblower protections new case law on the availability of non economic damages in statutory whistleblower cases new chapter on settlement negotiations with a computer program to estimate the best alternative to a negotiated agreement or reservation price

managing employees in foodservice operations obtain and retain skilled professional employees with this accessible guide a foodservice operation can only remain successful if its employees are served as well as its customers just as a business with no customers will fail for lack of revenue one without skilled professional satisfied staff will be unable to provide service at the level customers demand attracting and retaining qualified staff is a critical challenge for the modern foodservice industry and one which is only becoming more urgent in today s market managing employees in foodservice operations offers a uniquely foodservice oriented guide to obtaining training and retaining employees in a fast paced and highly competitive industry the book provides content perfectly aligned with a two year community college program courses in human resources supervision small business administration or related subjects detailed discussion of

topics including workplace health and safety recruitment and retention and many more ideas cultivated during the authors decades of combined experience in hospitality foodservice leadership and research material to support instructors conducting courses including powerpoints chapter by chapter exam questions and case studies managing employees in foodservice operations is ideal for students in foodservice related courses as well as professional business

mandated benefits 2022 compliance guide is a comprehensive and practical reference manual that covers key federal regulatory issues which must be addressed by human resources managers benefits specialists and company executives in all industries this comprehensive and practical guide clearly and concisely describes the essential requirements and administrative processes necessary to comply with employment and benefits related regulations

the employee handbook is not only an essential tool of communication to the company s employees on their terms and conditions of employment but also serves as a means of communicating the company s rules and regulations which are usually not spelt out in the collective agreements the basic employee handbook generally covers employees who are not embraced by the union s constitution but the modern approach is to include the executive management terms in a separate section thus the executives management personnel will have all the terms and conditions of all employees but the non exempt employees will only have access to their own terms and conditions the section on communications is shared by all employees further the employee handbook can serve as a contract of employment when a new employee is hired in circumstances where the offer letter states your terms and conditions of employment are covered in the enclosed employee handbook the employer no longer has to write a lengthy offer letter detailing all the terms and conditions in his attempt to cover all aspects of the employee s terms of employment as well as

the applicable benefits with the employee handbook he can write a brief letter of offer specifying the basic salary and major benefits e g car overseas trips perk annually and so forth and the termination notice he can conclude by stating all other terms and benefits are as presented in the employee handbook many employers feel that in a unionized environment there is no need for the employee handbook because the terms of employment are covered in the collective agreement the reasons why you should still have an employee handbook have been covered above but where you have a collective agreement you should state at the beginning of your handbook after the introduction on the sections of the handbook that where the terms of the collective agreement cover any provision for employees covered by the scope of the agreement in this handbook the cognizant provision of the collective agreement shall supersede this however for all other employees unless specifically excluded in writing in their respective contracts of service the terms conditions and benefits as specified in the handbook shall prevail it is not sufficient to handover the employment handbook to each employee this should be communicated to all employees preferably in a classroom environment and employees must acknowledge receipt of such handbook one final thing the existing benefits which are not usually spelt out in the collective agreement can be included here i hope this employee handbook will facilitate the process of updating your company s handbook in companies where this exists and the development of new employee handbooks in companies and in countries where such handbooks are being developed for the first time this will obviate the need for engaging an experienced human resource consultant to develop such a handbook thereby saving the company several thousand dollars Isom note to make the handbook even more comprehensive you could have a section for executives and management who enjoy perks not extended to the non exempt employees also you could specify the maximum basic salary beyond which the employee is not qualified to receive overtime the section on executive management perks should only be distributed to the personnel concerned perhaps

the most important clause is to incorporate the following into the employee handbook changes may need to be incorporated in this handbook relating to your terms and conditions and where these are required these will be communicated to you because these will then form a part of your contract of service important the management should ensure all employees acknowledge receipt of the employee handbook and file the acknowledgement in the respective employee s personal folder

this concise yet comprehensive reference helps employers responsibly and effectively deal with the basic personnel issues they face each day it guides employers in the development of a cohesive personnel program that is tailored to meet their companies unique needs and goals the author explicates potentially confusing matters such as employment at will equal opportunity sexual harassment the disabled and immigrant and legal alien workers in lay terms and points out the dangers of oversight stressing the importance of consistency and documentation he addresses the full range of personnel issues an invaluable resource for any business that doesn t have a personnel expert on staff cd contains sample employee handbooks federal regulations and laws forms for complying with government programs and worksheets for assessing personnel needs and goals

create a handbook for employees spelling out your company s benefits policies and procedures using this practical legal guide every company no matter how big or small needs to provide workers with an employee handbook create your own employee handbook gives you the information and policies all managers hr professionals and business owners need to create their own reader friendly guide no matter what state you live in each chapter covers a different topic including at will employment hiring pay and payroll workdays and hours performance evaluations benefits discrimination and harassment complaints and investigations

leave health and safety substance abuse privacy in the workplace discipline you ll get the lowdown on the legal and practical considerations that apply to each topic in your state plus sample policies that you can use as is or tailor to meet your needs you can even cut and paste the language you need to complete your own handbook instantly this edition is completely updated to reflect recent changes to federal and state law and covers emerging workplace issues such as healthcare reform law and social networking policies download forms for book at nolo com

vols 9 17 include decisions of the war labor board

one of a company s most important communication tools is the employee handbook but creating or revising one can be an overwhelming job it must be legally sound up to date clearly written and comprehensive this ready to use guidebook now in its second edition practically writes the handbook by itself human resources professionals will appreciate its checklists that guide them every step of the way and make sure all bases are covered step by step instructions that make information easy to understand and help avoid mistakes more than 400 sample policy statements all in use by actual companies and ready to go as is or to revise as needed plain english explanations of federal and state regulations with practical suggestions for implementation
