healing from a broken relationship is hard but it can be harder if the relationship is toxic the emotions are strong if you do not recover quickly you may become bitter and resentful it may be worse if you had losses financially and otherwise because of the relationship those losses become constant reminders of the pain there is no way to cry the pain away no matter how you pray you cannot wipe out the experience from your mind you must come to terms with what you experienced and learn to live with the scar but it is not as easy as it sounds this book offers practical steps on how you can heal from a toxic relationship you will also learn how you can let go of a toxic partner regardless of your level of attachment the goal is to help you achieve a sound mental health and detach your emotions from the toxic relationship at the end of this book you will develop the confidence to quit the unending wave of emotional roller coaster of difficult relationships it s time to achieve your mental and emotional freedom

life itself can be like riding a roller coaster it s full of ups and downs high and low points using the lyrics of an old gospel song by linda ronstadt life is like a mountain railway with an engineer that s brave we must make this run successful from the cradle to the grave one of the greatest challenges we all face to navigate life s journey is developing healthy godly relationships one of our greatest failures in developing healthy relationships is well described by a story sharer in this book she compares a bad or toxic relationship with the plight of sin sin will take you farther than you want to go keep you longer than you want to stay and cost you more than you want to pay such can be said about a bad or toxic relationship in dr mcgruder s book cutting your losses from a bad or toxic relationship he warns those who discover themselves in such a relationship and fail to heed warnings and escape from harm s way remaining in such a relationship can waste a significant portion of your life s journey and the result can tally up to emotional mental psychological and spiritual gross costs however this book will provide insight on how to survive and thrive it all

are you in a relationship but you feel like there s too much negative energy here s a helpful guide for you to overcome this obstacle and enjoy your life as a couple do you suffer from anxiety and in a relationship there are many reasons for a person to develop anxiety but the outcome is the same difficulty in properly living it is life changing and can negatively impact every aspect of your life including your interaction with your partner this could become an opening for other problems to occur no matter how much you love

him her or how seemingly normal things currently are maybe you've encountered some already like one day you're okay with them talking to a certain friend then the next day you're upset because of jealousy and self-doubt if your mental health is compromised and is not addressed correctly then you're going to end up in a position you never wanted to be in one being without the person you love anxiety communication in relationship is a step-by-step guide that discusses how to deal with negative energy like jealousy depression and other topics like self-management strategies to coping with anxiety and questions to ponder for introspection couple conflicts how to resolve or go about conflicts such as misunderstandings irrational behaviors some very familiar reactions and its actual effects in your relationship communication tips the best ways to effectively communicating with your partner new relationships identify mixed signals and the reasons why your partner sends them marital relationships what is needed for a marriage to survive and be happy healthy vs toxic relationships the difference between the two and how to better it dynamics of relationships an extensive explanation for various relationships dynamics this book is full of information that will leave you knowledgeable about codependency and communication you can master the relationships and gain a greater sense of fulfillment from them it's never too late to start learning or improving your relationship and communication skills so you can begin to get more out of life get your copy now

all blacks coaching legend and mentor mike cron on what coaching rugby can teach us about life leadership and team building one of the most successful coaches in world sport offers insights on leadership high performance teamwork and creating a winning culture mike cron was an all blacks coach over 217 games he was instrumental in the success of one of the greatest sports dynasties ever an all blacks side that lost just 14 games of the 103 they played won two successive world cups and set a new world record for their time ranked as number one in 2022 he came out of retirement to help the black ferns adding another world cup title to his record and in 2024 he joined joe schmidt to coach the australian national rugby team the wallabies coach lessons from an all blacks legend recounts a remarkable coaching career and reveals what mike has learned about how to manage people finding the competitive edge and the philosophies of a champion team an exceptional coach graham henry i feel lucky to have been coached by him for so long sam cane the best coach i know in world rugby wayne smith

kaz cooke tell you everything you need to know about your pregnancy and birth no bossy boots rules just the best funniest and most reassuring practical advice

the past two decades have seen an outpouring of work in legal theory that is self consciously critical of aspects of american law and the institutions of the liberal state in this lively volume eminent scholars in philosophy law and political science respond to this recent scholarship by exploring what constitutes a radical critique of the law examining such theories as critical legal studies feminist theory and theories of difference and critical race theory the authors consider whether the critiques advanced in recent legal theory can truly be called radical and what form a radical critique of american law should take writing at the cutting edge of the critique of critical legal theory they offer insights first on critical legal scholarship then on feminist political and legal theory a third group of contributions questions the radicalness of these approaches in light of their failure to challenge fundamental aspects of liberalism while a final section focuses on current issues of legal reform through critical views on criminal punishment including observations on rape and hate speech each major essay describes the underlying principles in the development of a radical legal theory and addresses unresolved questions relating to it while accompanying commentaries present conflicting views the resulting dialogue explores wide ranging issues like equity value relativism adversarial and empathic legal advocacy communitarianism and the social contract impartiality and contingency natural law and corrective justice a common thread for many of the articles is a focus on the social dimension of society and law which finds the individualism of prevailing liberal theories too limiting radical critiques of the law is particularly unique in presenting critical and feminist approaches in one volume along with skeptical commentary about just how radical some critiques really are proposing alternative critiques that embody considerably greater promise of being truly radical it offers provocative reading for both philosophers and legal scholars by showing that many claims to radicalism are highly problematic at best

includes articles on issues of worldwide anthropological interest
