kuwait constitution and citizenship laws and regulations handbook volume 1 strategic information and basic laws

the kuwaiti population includes around 100 000 people approximately 10 per cent of the kuwaiti nationals whose legal status is contested often considered stateless they have come to be known in kuwait as biduns from bidun jinsiyya which means literally without nationality in arabic as long term residents with close geographical ties and intimate cultural links to the emirate the biduns claim that they are entitled to kuwaiti nationality because they have no other but since 1986 the state of kuwait has considered them illegal residents on kuwaiti territory as a result the biduns have been denied civil and human rights and treated as undocumented migrants with no access to employment health education or official birth and death certificates it was only after the first ever bidun protest in 2011 that the government softened restrictions imposed upon them claire beaugrand argues here that far from being an anomaly the position of the biduns is of central importance to the understanding of state formation processes in the gulf countries and the ways in which identity and the boundaries of nationality are negotiated and concretely enacted bloomsbury publishing

the enfranchisement of women presents a significant challenge to kuwait s traditional system of politics and tribe this step in the democratization process is however more likely to strengthen rather than weaken state control over domestic politics based on first hand research and an extensive analysis of gender and politics spanning three decades the author demonstrates how the relationship between women and the state has come to influence and shape kuwaiti society and national politics this revised edition has been updated in light of the major political social and cultural changes that have resulted from the iraqi invasion and the ensuing gulf war changes which have reshaped the course of the women s movement since 1990 it includes a new introduction as well as two new chapters on post war feminist activism the nature of the relationship between women and the state the role of gender in islamism and cultural politics and women s role during the iraqi occupation

this book is the first groundwork on muslim ngos in contemporary ghana it builds upon a database of more than 600 muslim non profit associations foundations and grass roots organisations whose activities are traced through extensive use of social media the first part of the book scrutinises the varieties of their activities and operational spaces their campaigns and target groups alongside their local regional national and international connections the second part analyses contemporary debates on infaq sadaqa waqf and zakat as well as islamic banking and micro finance schemes for promoting social welfare among muslim communities in ghana

kuwait unlike most of its neighbours has a well established national identity and a long history as a nation dating back to the eighteenth century in this book first published in 1992 dr jill crystal focuses on two recurring themes in kuwaiti history one the preservation of a sense of community in the face of radical economic social and political transformations the second internal rivalry over the conventions governing relations among members of the community crystal skilfully weaves these themes into a broad profile of kuwait analysing the nation s transformation from a pre oil to an oil economy its social structure and composition including the country s tribal roots and key divisions involving class gender and immigrant labour political tensions resulting from the nation s sudden wealth and the accompanying changes in social structure and its relations with other countries in the gulf and the middle east

praise for the handbook of world families at a time when we are moving more and more toward a global village this ambitious book provides evidence of world wide trends in families and family relations it also illustrates the resilience of local cultures seen in variations among nations in trends and responses to them this is a very useful resource for obtaining the kind of baseline information that is essential to comparative work as well a number of chapters contribute to our understanding of the complexities and politics of family life starting with what is meant by family this book will educate many about other parts of the world and the central place of families in them ingrid arnet connidis university of western ontario in the handbook of world families bert adams and jan trost two of the leading scholars in the field of comparative family studies have masterfully edited a book that comparatively examines families from 25 nations located around the world the chapter contributors have both theoretical and research knowledge as well as lived experiences of respective nation s families the result is a well written highly informed and authoritative handbook that investigates an extensive range of family issues from local national and global perspectives mark hutter rowan university what defines a family the term family is very complex with a vast range of meanings it can mean a married couple with children a single parent and child a married

couple with no children even pets and close friends can be considered to some people as family the variety is enormous and this family diversity is present not just in the united states but around the world the handbook of world families provides a cross cultural perspective on the family by examining family life in 25 countries worldwide the countries included in this volume are organized by six world regions including africa asia south pacific europe latin america the middle east and north america offering readers the most thorough and balanced cross cultural examination of world families available editors bert n adams and jan trost along with contributions by top family studies experts from around the world ensure reliable cutting edge research and perspectives while other books may provide a cross cultural perspective on the family this book offers a unique comparative view in doing so each chapter of the handbook is organized in a parallel format beginning with an introduction to the region followed by coverage of mate selection fertility and socialization gender roles marriage stresses and violence divorce and remarriage kinship aging and death family and other institutions and special topics specific to the region the handbook of world families is an excellent addition to any academic library and an important resource for scholars and academics in the fields of family studies and sociology it can also be used in graduate level courses on the family in cross cultural perspective comparative family organization and world families

the enfranchisement of women presents a significant challenge to kuwait s traditional system of politics and tribe this step in the democratization process is however more likely to strengthen rather than weaken state control over domestic politics based on first hand research and an extensive analysis spanning three decades this book demonstrates how the relationship between women and the state has come to shape kuwaiti society and national politics
