does life exist on other planets this 1998 book presents the scientific basis for thinking there may be life elsewhere in the universe it is the first to cover the entire breadth of recent exciting discoveries including the discovery of planets around other stars and the possibility of fossil life in meteorites from mars suitable for the general reader this authoritative book avoids technical jargon and is well illustrated throughout it covers all the major topics including the origin and early history of life on earth the environmental conditions necessary for life to exist the possibility that life might exist elsewhere in our solar system the occurrence of planets around other

stars and their habitability and the possibility of intelligent extraterrestrial life for all those interested in understanding the scientific evidence for and likelihood of extraterrestrial life this is the most comprehensive and readable book to date

the search for dale s plane is a true storythat began on december 1 2013 when alaska bush pilot dellon smith set out to find his brother s plane after it dropped off the radar over remote idaho aided by family members from seven states and his brother s church congregation they encountered impossible weather conditions impenetrably steep mountains and the complete loss of clues going home for christmas they returned with a new perspective and resources with bleary eyes physical exhaustion humility and prayers thousands volunteered and miracles happened the search wasn t just about finding the plane as many discovered a richer more fulfilling life sharing their feelings and experiences this book promises to uplift and leave you warmed by the love our heavenly father shows during periods of adversity and by the faith dignity and courage exhibited by janis the wife of the pilot and other family members as they waited in limbo with hope in their hearts

at the center of this book are the stories of three very different young women who share their experiences of sexual abuse in childhood and adolescence drawing on research from both clinical and developmental psychology it explores the formation of a separate yet social self as well as the ways in which sexual abuse may disrupt that process the young women s narratives become a lens through which to examine how their identities are linked to self and social constructions of gender power sex and abuse
