christian spirituality is a concise and accessible overview of the ways christians over the centuries have approached god in prayer and practice in ten chapters lawrence cunningham and keith egan explain the dynamics of spiritual life each chapter exploring a single theme such as scripture journeying meditation contemplation asceticism mysticism solitude community friendship eucharist the themes are not mutually exclusive since believers frequently embrace several or all of these ways at once but in different times and places people have tended to focus on one or another so that they have become discernible paths to the holy the authors explore each theme in depth tracing its evolution over the centuries within this historical framework the book provides the reader with a taste of the different ways christians have sought or lived in the presence of god each chapter concludes with a list of selected works for further reading and with exercises intended to provide a personal experience of the way

a readable overview of the contemporary spiritual scene that defines outlines and advocates several models or methods for studying christian spirituality aimed at college undergraduates and useful for those in spiritual counseling and direction

this text fills the need for a clear informative helpful and well written introduction to christian spirituality includes a detailed guide to resources in spirituality available on the internet written by a leading theological educationalist in a clear and accessible manner encourages active engagement with primary sources through worked case studies

in recent decades christian spirituality spiritual formation and spiritual theology have become important concepts in the global evangelical community consequently an accessible and reliable academic resource is needed on these topics one that will offer a discerning orientation to the wealth of ecumenical resources available while still highlighting the distinct heritage and affirming the core grace centered values of classic evangelical spirituality the dictionary of christian spirituality reflects an overarching interpretive framework for evangelical spiritual formation a holistic and grace filled spirituality that encompasses relational connecting transformational becoming and vocational doing dynamics at the same time contributors respectfully acknowledge the differences between reformed holiness and pentecostal paradigms

of the spiritual life and by bringing together writers from around the world who share a common orthodoxy this reference work is truly global and international in both its topical scope and contributors entries give appropriate attention to concepts concerns and formative figures in the evangelical tradition of spirituality that other reference work neglect they offer a discerning orientation to the wealth of ecumenical resources available exploring the similarities and differences between christianity and alternate spiritualities without lapsing into relativism the dictionary of christian spirituality is a resource that covers a wide range of topics relating to christian spirituality and is biblically engaged accessible and relevant for all contemporary christians

written by contributors representing the anglican roman catholic free church and orthodox traditions this collection examines the nature and form of individual christian devotion throughout the centuries

sheldrake jon sobrino wendy m wright bruce hindmarsh books and culture a christian review

the blackwell companion to christian spirituality is a comprehensive single volume introduction to christian spirituality and represents the most significant recent developments in the field offers a thoroughly interdisciplinary broadly ecumenical and representative overview of the most significant recent developments in the field comprises essays combining rigorous academic scholarship with accessible and elegant writing reflects an understanding of the field as the study of the lived experience of christian faith and discipleship provides material on biblical historical and theological foundations along with treatment of contemporary issues

the personal response of the christian to god in addition to the doctrinal and theological history of the catholic faith it is essential that we add the history of christian spirituality namely the very way that christians have made their personal response to the god who reveals himself to his people through jesus christ this course surveys important spiritual movements the rich diversity of spiritual insight that has marked the history of christianity starting from the early desert fathers the founding of the great religious orders christian mysticism 19th and 20th century

catholic spiritual contributions and more in taking a look at the history of christian spirituality in this way one ultimately comes to a deeper understanding of man's proper relation to god and how he ought to respond to god's love the uniqueness of christian spirituality the primary truth of christian spirituality is that god entered his world personally as john's gospel chapter 1:14 states the word became flesh and dwelt among us god crowns creation with his personal physical presence pouring himself out in a new covenant whereby he has forever united himself to the human race in the incarnation of the word the catholic focus on the material world is vindicated against all those ancient and modern pessimisms that seek to denigrate the dignity of man on one side or remove god from the world of men on the other it is only christian spirituality that safeguards the truth about man and god since together they are united in a freedom of grace by which the world is saved the history of christian spirituality a study of the history of christian spirituality reveals that the christian quest for holiness and perfection is marked by certain principles and characteristics the early christians unlike christians of today did not accommodate the faith to the age the early christians converted out of a culture and they lived in contrast to it the life of the earliest christians was liturgical especially in the sense that as today it centered on the eucharist the public worship of the church done in obedience to christ's command to the apostles at the last supper do this in remembrance of me the social dimension of christian life is seen in the earliest christians who lived in community according to the acts of the apostles christians held all their possessions in common and distributed to everyone according to his need acts 4:35 a path for everyone perhaps the greatest truth about the achievement of christian holiness is that it is open to all who wish to travel its path it is not reserved for the few but is meant for the many one of the greatest voices in the history of christian spirituality st bernard of clairvaux believed that man's own free will was the key to the christian life and thus perhaps we should take his words to heart no one can be perfect who does not desire to be more perfect and he shows himself to be more perfect in the measure that he aspires to be more perfect

sandra schneiders commands respect as one of the most significant and influential figures in the emergence of the study of christian spirituality as an academic discipline as the focused and

disciplined exploration of religious experience this book honors her contributions to the field by addressing issues that are emerging at the creative edges of the discipline in this volume colleagues and students of dr schneiders and other collaborators in the academic discipline of christian spirituality examine crucial issues from their various disciplinary and methodological perspectives questions of methodology address the status of spirituality as a discipline interdisciplinarity and self implication other essays explore the edges of christian spirituality and biblical spirituality gender studies the natural sciences nature writing the social sciences and interfaith issues this collection of essays will provoke students and scholars of christian spirituality as well as practitioners to continue critically thinking discussing writing and practicing it

no marketing blurb
