a major reinterpretation of the salvador allende era in chile weavers of revolution is also a compelling drama of human triumph and tragedy that exemplifies the new narrative history at its authentic best

in the subversive seventies michael hardt sets out to show that popular understandings of the political movements of the seventies often seen as fractious violent and largely unsuccessful are not just inaccurate but foreclose valuable lessons for the political struggles of today looking at a wide range of movements around the globe during the 1970s from the united states to guinea bissau south korea chile turkey and italy hardt argues that the movements of the 1970s identified and attempted to resolve the political problems that still face contemporary radical political thought and action

now in its fifth edition this leading reader has been updated with new readings and visual sources this edition includes an added final chapter on current social movements to help students reflect on the ecological realities that inform their world in addition the legacies of colonialism chapter has been restored to give students an understanding of the deep roots of the problems explored instead of a separate chapter on women and social change women's voices have been woven more seamlessly throughout the book to reflect women's parity and equity in history with its innovative combination of primary and secondary sources and thoughtful editorial analysis this text is designed specifically to stimulate critical thinking in a wide range of courses on latin american history since independence

the global financial crisis has led to a new shop floor militancy radical forms of protest and new workers takeovers have sprung up all over the globe in the us republic windows and doors started production under worker control in january 2013 later that year workers in greece took over and managed a hotel a hospital a newspaper a tv channel and a factory the dominant revolutionary left has viewed workers control as part of a system necessary during a transition to socialism yet most socialist and communist parties have neglected to promote workers control as it challenges the

centrality of parties and it is in this spirit that trade unions operating through the institutional frameworks of government have held a monopoly over labor history tracing marx's writings on the paris commune through council communism anarcho syndicalism italian operaismo and other heretical left currents an alternative labour history uncovers the practices and intentions of historical and contemporary autonomous workers movements that until now have been largely obscured it shows that by bringing permanence and predictability to their workplaces workers can stabilize their communities through expressions of participatory democracy and as history has repeatedly shown workers have always had the capacity to run their enterprises on their own

a collection exploring the ideological hardening and accelerated polarization that marked twentieth century latin america and its epochal cycles of revolutionary and counterrevolutionary violence

an interdisciplinary journal that publishes original research and surveys of current research on latin america and the caribbean

includes bibliographical section

an examination of the lives of latin american women who entered factory labor in increasing numbers in the early part of the 20th century

never highlight a book again virtually all of the testable terms concepts persons places and events from the textbook are included cram101 just the facts101 studyguides give all of the outlines highlights notes and quizzes for your textbook with optional online comprehensive practice tests only cram101 is textbook specific accompanys 9780195045581

an attempt to gauge the impact of chile's neoliberal reform policies and of the chilean economic miracle on various groups of workers

an analysis of migration labor management collaboration and the mobility of capital based on case studies in new england and colombia

in this investigation of the dramatic political changes in chile over the past 30 years the author focuses on identifying the dynamics of political conflict underlying this turbulent period this second edition incorporates coverage of the presidencies of aylwin and frei

after the 1854 abolition of slavery in peru a new generation of plantation owners turned to a system of peasant tenantry to maintain cotton production through the use of cheap labor in peasants on plantations vincent c peloso analyzes the changing social and economic relationships governing the production of cotton in the pisco valley a little studied area of peru's south coast challenging widely held assumptions about the system of relations that tied peasants to the land peloso's work examines the interdependence of the planters managers and peasants and the various strategies used by peasants in their struggle to resist control by the owners grounded in the theoretical perspectives of subaltern studies and drawing on an extremely complete archive of landed estates that includes detailed regular reports by plantation managers on all aspects of farming life peasants on plantations reveals the intricate ways peasants managers and owners manipulated each other to benefit their own interests as peloso demonstrates rather than a simple case of domination of the peasants by the owners both parties realized that negotiation was the key to successful growth often with the result that peasants cooperated with plantation growth strategies in order to participate in a market economy long term contracts gave tenants and sharecroppers many opportunities to make farming choices to assert claims on the land compete among themselves and participate in plantation expansion at the same time owners strove to keep the peasants in debt and well aware of who maintained ultimate control peasants on plantations offers a largely untold view of the monumental struggle between planters and peasants that was fundamental in shaping the agrarian history of peru it will interest those engaged in latin american studies anthropology and peasant and agrarian studies
