an alphabetical listing of plays that have been banned throughout history with a short synopsis and reason for banning as well as profiles of the playwrights and other resource material

western theatre in global contexts explores the junctures tensions and discoveries that occur when teaching western theatrical practices or directing english language plays in countries that do not share western theatre histories or in which english is the non dominant language this edited volume examines pedagogical discoveries and teaching methods how to produce specific plays and musicals and how students who explore western practices in non western places contribute to the art form offering on the ground perspectives of teaching and working outside of north american and europe the book analyzes the importance of

paying attention to the local context when developing theatrical practice and education it also explores how educators and artists who make deep connections in the local culture can facilitate ethical accessibility to western models of performance for students practitioners and audiences western theatre in global contexts is an excellent resource for scholars artists and teachers that are working abroad or on intercultural projects in theatre education and the arts

leonard bernstein was the quintessential american musician through his careers as conductor pianist teacher and television personality he became known across the us and the world his flamboyance and theatricality making him a favourite with audiences if not with critics however he is perhaps best remembered as a composer particularly of the musical west side story and for songs such as america tonight and somewhere dr helen smith takes an in depth look at all eight of bernstein s musical theatre works from the early on the town written by the 26 year old composer at the start of his career to his second and last opera a quiet place in 1983 in between these two pieces he composed music for trouble in tahiti wonderful town candide west side story mass and 1600 pennsylvania avenue these works are analysed and considered against a background of musical and social context as well as looking at bernstein s other orchestral choral and chamber works one important aspect examined is bernstein s use of motifs in his theatre compositions which takes them out of the realms of broadway and into the sphere of symphonic writing smith provides an indispensable overview of the musical theatre works of an eclectic composer and shows what it is that constitutes the bernstein sound

although almost neglected in research and studies on american literature the american musical is certainly the most interesting and the most popular genre of american theater and drama it has been influenced by the necessities of a self funding commercial theater system of a democratic country the fact that it has developed in a country of democracy means that it should be a genre for everyone the intellectual and the common man broadway has provided all these in his study marc bauch analyzes three american musicals namely south pacific 1949 by richard rodgers and oscar hammerstein west side story 1957 by leonard bernstein arthur laurens and stephen sondheim as well as sunday in the park with george 1984 by stephen sondheim and james lapine special attention is paid to the themes and topics the literary means and the dramatic dodges of the aforementioned american musicals the three analyses are extended with historical overviews of the american musical marc bauch is also the author of themes and topics of the american musical after world war ii 2001 also published by tectum verlag
