in john 8 32 jesus said and you shall know the truth and the truth shall make you free then  
 why do i have doubts about my salvation what is truth what does free mean how can i know  
 for sure that i have salvation one cannot be free without salvation no wonder that many  
 have doubts about salvation jesus despised the religious traditions of mankind he called  
 those who were chained with religion s traditions hypocrites he quoted isaiah s prophecy in  
 matt 15 9 but in vain they do worship me teaching for doctrines the commandments of men  
 in vain with no purpose jesus was saying you worship in folly he was saying to the religious  
 leaders with their man made rules and to their followers you shall in no case enter into the

kingdom of heaven what is your litmus test to obtain salvation have you wondered about the rules and laws that you follow what do the leaders of your religion demand of you this book is filled with answers and with freedom not from my mere writings but with clarity from the holy spirit emblazoned in the holy bible the litmus test as a boy growing up in a church was if you did not smoke drink cuss dance be with girls play with cards gamble play pool go to bars break any of the 10 commandments miss church service you might go to heaven i think i pretty much flunked non the less that was preached from the pulpit you will see gratitude for dedicated people who have unbelievable iq s in science but you will find that even some truly great intellects fail to see a need for god the living god relationship is needed by every living human which does include all of the intellects and those of us with less evolution included are a few of the personal happenings of my life that are clearly spiritual this book reveals only a few of god s actual involvements in spite of my fleeting fellowship with him the mathematical probability of each is prodigious why do people say that god loves us if you read carefully the answer is clear the definition of grace will be understandable faith is explored is faith really necessary how does one know if they have faith do you think you are saved and yet you still sin occasionally for some us maybe more than occasionally if you do comfort may be near but most importantly we are going to die what then the book sometimes may have some troubling details our soul will meet up with our new body and this information is more than sparsely included what is it like in hell the answer is clear it is for sure that it is not one never ending great big party of like minded individuals the book touches on what it is like to live in hell eternally to live there do i really exist after i die maybe you should get this book i am as certain as i can be that when you finish reading you will probably think of someone that desperately needs this book
