this book highlights the writings of the young or early martin luther which separates it from other books on martin luther s theology the book sets luther in radical at times almost shocking contrast with theological and philosophical modernity reinforced by hundreds

of quotations from luther what emerges for readers is a revision of age old and current ideas of christian faith into which they are invited thus catholicism medieval and modern protestantism according to iwan and a stimulus to nazi ideology lutheranism particularly with its staid doctrine of the two kingdoms liberalism with its personalism and ethics of intention pietism likewise vulnerable to political mishandling the quest of the historical jesus and existentialism nourished by nietzsche and freud all are subject to confrontation and in all this readers are directly engaged as if by luther himself in the transfer from classroom lecture to the edited and published book nothing is lost of the original encounter of a master interpreter and student of luther

as celebrations of the five hundredth anniversary of martin luther's initiation of the most dramatic reform movement in the history of christianity approach 47 essays by historians and theologians from 15 countries provide insight into the background and context the content and the impact of his way of thought nineteenth century chinese educational reformers twentieth century african and indian social reformers german philosophers and christians of many traditions on every continent have found in luther's writings stimulation and provocation for addressing modern problems this volume offers studies of the late medieval intellectual milieu in which his thought was formed the hermeneutical principles that guided his reading and application of the bible the content of his formulations of christian teaching on specific topics his social and ethic thought the ways in which his contemporaries both supporters and opponents helped shape his ideas the role of specific genre in developing his positions on issues of the day and the influences he has exercised in the past and continues to exercise today in various parts of the world and the christian church authors

synthesize the scholarly debates and analysis of luther s thinking and point to future areas of research and exploration of his thought

as you begin to read this you start to remember that fateful day you may have been eating dinner on your phone coming home from work or school or watching tv when the emergency broadcast system emerged on every media outlet available this is not a test the screen read lock every entrance gather necessities do not go outside and remain calm further instructions will soon follow zombies are a fickle creature they re always changing these zombies they re unlike anything you ve ever seen the reality of having seen something that gruesome makes your heart race again you remember the way they looked at first and having to study them to keep your spot at the top of the chain you look around you ve established yourself again reading a book you found to kill some time making the zombie apocalypse simply something that you ve experienced among many other things now let s get to that book october 30 2015 7 58 p m that s when it all began for everyone the awful sounds of the emergency alarms filling the air with panic no one had a certain plan just hopes for the best and quick wits robert duncan was on a farm where he worked fixing machines his regular life would instantly change and the world would flip on itself the things he would do the people he would meet and the items he would obtain were not in his imagination this is his story just as you would have one and what became of him

miikka ruokanen reveals the powerfully trinitarian and participatory nature of martin luther s conception of divine grace in his magnum opus the bondage of the will the study establishes a genuinely new understanding of luther s major treatise opening up its

ecumenical potential luther s debate with erasmus signifies not only a disagreement concerning free will but the dispute reveals two contrasting understandings of the very core idea of the christian faith for erasmus the relationship of the human being with god is based on the rationally and morally acceptable principles of fair play for luther the human being is captivated by the overwhelming power of unfaith and transcendental evil satan only the monergistic grace of the triune god and the power of the holy spirit can liberate him her ruokanen verifies the trinitarian vision of salvation by grace alone as the center of luther s theology this doctrine has three dimensions firstly the conversion of the sinner and the birth of faith in christ are effected by prevenient divine grace justification through faith alone is the sole work of god s spirit comparable to creation ex nihilo secondly participation in the person life and divine properties of christ as well as participation in his salvific work his cross and resurrection are possible solely because of the presence of the holy spirit in the believer justification means simultaneously the forensic declaration of the guilty non guilty on the basis of the atonement by jesus cross as well as a union with christ in the holy spirit thirdly sanctification means the gradual growth of love for god and neighbor enabled by the believer s participation in divine love in the holy spirit ruokanen s work offers a crucial modification and advance to the world renowned finnish school of luther interpretation luther s classic use of pneumatological language avoids the problems caused by using an ontological language

the christian life is a battle but many believers today don t realize their involvement in spiritual warfare our secular society characterized by doubt and spiritual skepticism leaves many christians embarrassed even to talk about demonic forces of opposition

in order to awaken christians to the battle around them and prepare them for it robert smart surveys the terrain identifies the enemy and conveys defensive and offensive maneuvers for combating satan just as military science combines knowledge of the humanities natural sciences applied sciences and engineering so this military textbook combines knowledge of the bible historical theology contemporary culture apologetics practical theology and biblical counseling here is a well rounded overview of the unavoidable reality of spiritual warfare table of contents introduction the call to engage in spiritual warfare 1 god is a warrior biblical foundations for spiritual warfare 2 historical theology on spiritual warfare 3 the age of doubt and the conditions for unbelief 4 satan s strategies when christians are vulnerable 5 waging war in god s strength armor and weapons 6 waging war on identity 7 curses and power encounters conclusion saints triumphant in the gospel

this comprehensive systematic survey of luther s ethical thought and teaching clearly discusses all the major ethical issues that concerned luther contemporary readers will be especially interested in what the reformer has to say about the christian s attitude toward secular society toward the state and toward war the ethics of martin luther offers scholars and nonspecialists alike a much needed explanation of luther s ideas
