this important book offers organizations the keys to introvert inclusion susan cain new york times bestselling author of quiet influence the first guide to creating a welcoming culture that maximizes the powerful contributions introverts bring to the workplace as the diversity equity and inclusion wave widens and deepens its reach introversion is becoming a natural part of that movement after all about half the population identify as introverts but many organizations are stuck in traditional extrovert centric workplace cultures that reward people for speaking up publicly expect them to log face time and employ hiring and promotion practices rooted in the past this ultimately discourages introverts from contributing and reaching their full talent potential which could have a major impact on the bottom line champion for introverts jennifer kahnweiler offers a road map for everyone in the workplace including leaders human resource managers and team members to create inclusive introvert friendly cultures kahnweiler provides an assessment to determine how introvert friendly your organization is and looks at every aspect of organizational life hiring training leading communicating meeting designing workplaces and more through an inclusive lens you ll discover how to make open space offices introvert friendly what the best practices are for encouraging introverts to participate on teams which training techniques work best for introverts and how to make remote positions work

rand fishkin the founder and former ceo of moz reveals how traditional silicon valley wisdom leads far too many startups astray with the transparency and humor that his hundreds of thousands of blog readers have come to love everyone knows how a startup story is supposed to go a young brilliant entrepreneur has a cool idea drops out of college defies the doubters overcomes all odds

makes billions and becomes the envy of the technology world this is not that story it's not that things went badly for Rand Fishkin they just weren't quite so Zuckerbergesque his company Moz, maker of marketing software, is now a 45 million year business and he's one of the world's leading experts on SEO but his business and reputation took fifteen years to grow and his startup began not in a Harvard dorm room but as a mother and son family business that fell deeply into debt now Fishkin pulls back the curtain on tech startup mythology exposing the ups and downs of startup life that most CEOs would rather keep secret for instance a minimally viable product can be destructive if you launch at the wrong moment growth hacking may be the buzzword du jour but initiatives can fizzle quickly revenue and growth won't protect you from layoffs and venture capital always comes with strings attached Fishkin's hard won lessons are applicable to any kind of business environment up or down the chain of command at both early stage startups and mature companies whether your trajectory is riding high or down in the dumps this book can help solve your problems and make you feel less alone for having them

shortlisted for the the leadership book of the year award 2024 you may think it's small stuff but it has a big impact great leadership is about people connecting with them and inspiring them to perform at their best but leaders under pressure tend to focus on tasks to do lists and deadlines the result teams are disengaged performance and productivity are below expectations morale is low building relationships isn't a one off task it happens through every single interaction and we aren't paying those everyday moments nearly enough attention do sweat the small stuff challenges you to notice and own the profound impact of your micro interactions to explore how your speaking and listening your habits and your behaviours affect those around you whether you realize or not finally it reveals how to reinvent those interactions to reshape how you show up as a leader and build trusting productive relationships with your people Sarah Langslow distils more than two decades of hands on experience building effective leadership skills and behaviours in the corporate and sporting world and as an executive coach into an actionable plan for sustainable transformation
