this book presents a crisis of religion and belief literacy to which education at every level is challenged to respond as understanding different religions beliefs and influences becomes increasingly important it fills a gap for a resource in bringing together the debates around religious literacy from theoretical approaches to teaching and policy this timely publication provides a clear pathway for engaging well with religion and belief diversity in public and shared settings

the oxford handbook of religion and education offers a multi disciplinary work of scholarship and research highlighting the global significance of a critical interface of cultural and social political and theological importance drawing on historical perspective and contemporary reflection the collection provides a uniquely transformative analysis of why the interface of religion and education is of such critical significance with contributions from some of the leading thinkers in the field this handbook presents a cumulatively powerful argument to reassess the complexities of the intersection of religion and education with ambitious and yet accessible intellectual engagements the handbook here furthers a central thesis that the interface of religion and education is not merely a matter of arcane disputation about a domain of ancient origin or a rudimentary matter of formal educational process but a vibrant domain of critical contestation fundamental to knowing understanding and living in the modern world

what is a religion why are people religious are religious people more educated than nonreligious people are religious people more moral more humble or happier are religious people more or less prejudiced than nonreligious people is religion good for your health are people becoming more or less religious studying religion as a social phenomenon ryan t cragun follows the scientific data to provide answers to these and other questions at times irreverent but always engaging and illuminating what you don t know about religion but should is for all those who have ever wondered whether religion helps or hurts society or questioned what the future holds for religion

this book focuses on the problem of religious diversity civil dialogue and religion education in public schools exploring the ways in which atheists secularists fundamentalists and mainstream religionists come together in the public sphere examining how civil discourse about religion fit swithin the ideals of the american political and pedagogical systems and how religious studies education can help to foster civility and toleration

50 great myths about religions is an intriguing informative and often humorous introduction to some of the long standing myths that surround religious belief this engaging book will get its readers thinking about how and why certain myths have arisen and their continuing influence on our personal and collective view of religion offers a lively informative and thought provoking introduction to some of the common misbeliefs surrounding religions discusses myths about religious belief in general as well as specific ideas that surround judaism christianity islam atheism and agnosticism covers a wide range of myths from ancient legends such as the bible forbidding pork being eaten because it causes illness to modern urban fables such as barack obama being a muslim unpacks each myth in turn explaining why it arose how it spread and why the beliefs that stem from it are questionable includes a fascinating discussion about human nature and the main characteristics that predispose us to create and circulate myths to begin with underpinned by a wide knowledge of academic research it is written by two respected religion scholars and experienced authors

this catechism is divided into three parts the first part treats of faith the second of morals the third of the means of grace in the first part our lord appears in his character of teacher in the second in his character of king and in the third in his character of high priest and since this catechism proposes as its primary object to answer the question for what purpose are we here upon earth thereby emphasizing and giving prominence to man s high calling and destiny it is especially suited to the present day when the pursuit of material interests self indulgence

and pleasure engrosses the attention of so many this catechism is in fact nothing more nor less than an abstract of our lord s teaching and may be called a guide book for the christian on the road to heaven preface
