logic and common sense have a habit of leading us to the same conclusions if you are going to make your mark on the world you have to start thinking differently to think differently you have to think illogically this book looks at life the wrong way in a bid to explain the benefits of making wrong decisions

teachers are supposed to inspire the younger generation to follow their dreams and achieve great things however our hero nozomu is not that teacher nozomu s probably the most depressive man in japan so depressive in fact that every little setback in life inspires yet another suicide attempt but then why is being in nozomu s class such a blast is it his quirky and endearing students the bizarre adventures he leads them on or is there something after all to the power of negative thinking

As recognized, adventure as without difficulty as experience very nearly lesson, amusement, as with ease as settlement can be gotten by just checking out a book
