traces the experiences of yurok high school students and educators as they navigate between native and non native spaces learning to survive explores how native american youth are impacted by formal educational experiences through the insights of students and teachers working to revitalize the yurok language sharing stories of native american resilience amidst toxic school and community cultures mneesha gellman examines the consequences of the misrepresentation and suppression of indigenous culture in secondary education through personal testimonies and interviews from northern california high schools gellman traces

the experiences of students as they navigate their own identities between native and non native spaces and of educators who relate their efforts in providing their students with not just language instruction but a sense of support and community that goes beyond the classroom students and teachers alike detail how they struggle to thrive under systems of white supremacy while protecting and preserving their identity and culture particularly through the work of language education and language keeping learning to survive highlights the profound harm done by perpetuating white supremacy and the importance of investing in culturally sustaining curricula youth well being suffers when students are faced with hostile school environments and when they do not see themselves or their communities truthfully or positively represented in curricula this book calls on adults policymakers teachers families and others to consider what changes we can and should make in our daily work to promote native american well being in schools

how states deny the full potential of refugees as people and perpetuate social inequality as the world confronts the largest refugee crisis since world war ii wealthy countries are being called upon to open their doors to the displaced with the assumption that this will restore their prospects for a bright future refuge follows syrians who fled a brutal war in their homeland as they attempt to rebuild in countries of resettlement and asylum their experiences reveal that these destination countries are not saviors they can deny newcomers potential by failing to recognize their abilities and invest in the tools they need to prosper heba gowayed spent three years documenting the strikingly divergent journeys of syrian families from similar economic and social backgrounds during their crucial first years of resettlement in the united states and canada and asylum in germany all three countries offer a legal solution to displacement while simultaneously minoritizing newcomers through policies that fail to recognize their histories aspirations and personhood the united states stands out for its emphasis on self sufficiency that integrates refugees into american poverty which by design is populated by people of color and marked by stagnation gowayed argues that refugee human capital is less an attribute of newcomers than a product of the same racist welfare systems that have long shaped the contours of national

belonging centering the human experience of displacement refuge shines needed light on how countries structure the potential of people new arrivals or otherwise within their borders

language in african american communities is essential reading for anyone with an interest in the language culture and sociohistorical contexts of african american communities it will also benefit those with a general interest in language and culture language and language users and language and identity this book includes discussions of traditional and non traditional topics regarding linguistic explorations of african american communities that include difficult conversations around race and racism language in african american communities provides an introduction to the sociolinguistic and paralinguistic aspects of language use in african american communities sociocultural and historical contexts and development notions about grammar and discourse the significance of naming and the pall of race and racism in discussions and research of language variation and change activities and discussion questions which invite readers to consider their own perspectives on language use in african american communities and how it manifests in their own lives and communities and links to relevant videos stories music and digital media that represent language use in african american communities written in an approachable conversational style that uses the author s native african american women s language this book is aimed at college students and others with little or no prior knowledge of linguistics
