the rock and roll music that dominated airwaves across the country during the 1950s and early 1960s is often described as a triumph for integration black and white musicians alike including chuck berry little richard elvis presley and jerry lee lewis scored hit records with young audiences from different racial groups blending sonic traditions from r b country and pop this so called desegregation of the charts seemed

particularly resonant since major civil rights groups were waging major battles for desegregation in public places at the same time and yet the centering of integration as well as the supposition that democratic rights largely based in consumerism should be available to everyone regardless of race has resulted in very distinct responses to both music and movement among black and white listeners who grew up during this period rock and roll desegregation movements and racism in the post civil rights era an integrated effort traces these distinctions using archival research musical performances and original oral histories to determine the uncertain legacies of the civil rights movement and early rock and roll music in a supposedly post civil rights era

ever since cleveland disc jockey alan freed first called the records he was playing rock and roll northeast ohio has been a driving force in this musical phenomenon from the disc jockeys who spun the music to the musicians who played it the clubs that welcomed it and fans who encouraged it rock and roll has been as much a part of this north coast as the lake that hugs it it was those early years from the 1950s on that led cleveland to becoming the rock and roll capital of the world and ultimately home to the rock and roll hall of fame and museum while the city spawned several widely recognized names such as the james gang with joe walsh the raspberries with eric carmen and bobby womack it is the music itself that will keep this town rocking on the shores of lake erie and beyond for a long time to come

since the second world war europe has undergone a continual invasion wave after wave of american popular culture the diffusion of american culture in europe is both a european story about america and an american story about europe this work examines this cross cultural phenomenon from the european viewpoint nearly two dozen european experts in their respective fields offer an invigorating engaging and open

minded examination of america as perceived with the acute insight of the interested european outsider a fruitful tradition that stretches back to lafayette de tocqueville and goethe to name three of interest to scholars students and general readers alike the book s focus is both sensuous and intellectual how america is seen the image heard popular music perused the written word digested food learned from its common ways social customs perceived by minorities ethnic cultures and taken as an instrument of change americanization it is the first book of its kind published in the united states it is rich with selected up to date critical bibliographies in areas for which very little information is otherwise available in sum a cogent cross cultural analysis of how u s popular culture exposes both european dreams of well being and nightmares of discontent these are insights which deserve to be savored

an encyclopedia designed especially to meet the needs of elementary junior high and senior high school students
