this book does a tremendous job of bringing to life customer satisfaction and its significance to modern businesses the numerous examples contained within the book's pages have proved a fresh and continuous source of inspiration and expertise as i work with my organisation in helping them understand why we should do what matters most to our customers and the lasting effect such actions will have on both our customer loyalty and retention the authors are to be commended

the text is a european adaptation of our current us book strategic market management 9th edition by david aaker this new edition is a mainstream text suitable for all business students studying strategy and marketing courses strategic market management global perspectives is motivated by the strategic challenges created by the dynamic nature of

markets the premise is that all traditional strategic management tools either do not apply or need to be adapted to a more dynamic context the unique aspects of the book are its inclusion of a business strategy definition that includes product market scope value proposition and assets and competences a structured strategic analysis including a detailed customer competitor market and environmental analysis leading to understanding of market dynamics that is supported by a summary flow diagram a set of agendas to help start the process and a set of planning forms concepts of strategic commitment opportunism and adaptability and how they can and should be blended together bases of a value proposition and strong brands a strategy without a compelling value proposition will not be market driven or successful brand assets that will support a business strategy need to be developed creating synergistic marketing with silo organisations defined by products or countries all organisations have multiple products and markets and creating cooperation and communication instead of competition and isolation is becoming an imperative a global perspective is an essential aspect of this new edition this reflects the lived experience of the student reader but also their likely professional challenges this is achieved by the extensive use of new examples and vignettes

bachelor thesis from the year 2023 in the subject business economics business ethics corporate ethics language english abstract the purpose of this bachelor s thesis is to investigate the external effects of greenwashing on the brand it examines the phenomenon of greenwashing focusing on analyzing how companies can adapt their communication and practices to meet customers increasing expectations and needs the impact of greenwashing on consumer trust in the brand and corporate sustainability efforts will be analyzed through a critical review of the current situation and real world case studies this thesis will consist of two parts in addition to the introduction and conclusion in the theoretical part of the work different terms are defined from similar terms in addition the behavior of consumers is briefly discussed it is vital to use two points of view the companies and the consumers especially the consumer protection organizations the second main section discusses the external effects of greenwashing in particular the methodology the current status and the illustration of selected examples are discussed this paper aims to filter out how greenwashing works and influences or attempts to influence consumers and what are the market s reactions to this behavior key

research questions are how exactly do companies do greenwashing do companies abuse the trust of their customers to make profits what are the consequences of greenwashing for consumers and the market
