author patrick flaherty and his brothers honor their mother by sharing stories and life s lessons

learned from her during their childhood doris flaherty was typical of the millions of moms raising families in the 1950 s 60 s and 70 s much of what these moms did on a daily basis for teaching and disciplining their children can easily be used by today s mothers many stories are humorous anecdotes of how common situations were handled through the wisdom of motherhood

in from seed to sunshine unveiling life s lessons from the sunflower for cultivating sunshine joy you will embark on a transformative journey inspired by the sunflower nature s radiant symbol of positivity resilience and happiness this book presents ten profound lessons drawn from the sunflower each offering practical insights and real life examples for embracing the radiant power of positivity seeking light in life s darkest moments cultivating resilience and spreading happiness to oneself and others from continuous self improvement to embracing differences the book illuminates the path to personal growth inner strength and the creation of joyful moments with discussion questions and practical exercises this guide empowers readers to apply these sunflower inspired principles in their own lives from seed to sunshine is a beacon of inspiration and transformation guiding readers toward a brighter more purposeful and joy filled existence

life s lessons from a father to his daughter uses twenty four stories pictures and artwork to help teach our children life s lessons with the aim of helping our children learn to make good decision making skills decision making skills are often not well taught or integrated into a strong sense of personal philosophy human nature can be impulsive the use of stories real life or metaphors to pass on life lessons from one generation to another is at the core of our oral and written traditions parents can help to pass on this information as a creative way to install core values help reduce the chance of mishap and enhance lifelong success part of the challenge is establishing a dialogue that allows worldviews to be discussed both the commonalties and the differences perhaps part of the failure to achieve a sustained dialogue is that we as parents wait too long to start the dialogue part of the challenge too is that the lessons have different levels of meaning as we age so life s lessons from a father to his daughter was written to have meaning at the different stages of life in one s mid teens mid twenties and again in mid life value exists in the stories being real non fiction can carry more weight children need to learn early that their parents continue to go through what they are experiencing we too make mistakes that we try and fail and we are both individuals and members of larger communities all the increasing access to information may not make decision making easier greater discrimination and better choices will be essential so read the vignettes with your children and

see where the discussion goes be sure to have a few good laughs along the way life's lessons from a father to his daughter is a tool to help parents communicate with their children by providing a context for parents to add their own personal stories

discover powerful essential and inspiring lessons learned from life they come from the famous the dying and the old and the wise on how to live a life without regrets how would you like to be remembered if your time was coming to an end it will happen to us all but it's something that we rarely discuss would you do things a lot different based on the life lessons we all learn as we journey through life if we are all honest with ourselves we would make different decisions based on the lessons learned in life and what we know know hindsight is a great teacher for all of us here's a preview of what you will learn be true to yourself to accept 100% responsibility for your own life avoid negative people as much as possible not realizing the value of making goals worrying about other people's opinions to be kind and forgive wherever possible it's okay to make mistakes much much more get your copy today

are you tired of feeling lost and directionless in life discover the powerful life lessons that will transform your perspective and help you achieve your dreams in this inspiring self-help book life is intricate profound and replete with surprises and obstacles when things occur regularly life is frequently difficult frequently perplexing and occasionally outright deceitful and as the saying goes life is not fair or at the very least its gifts are not distributed equitably some people find and realize their aspirations with relative ease while others strive for a long time and some never succeed however contrary to common assumption failure is seldom the result of bad breaks even if a person is born destitute and disliked usually failure is the result of inadequate responses to life's demands life is full of valuable lessons and it is best to learn them as early as possible the sooner a person becomes acquainted with what real life entails the challenges and opportunities the unique role each person plays and the dangers of entitlement and self-pity the sooner he or she will learn to handle the challenges take the initiative to find his or her role and prevent bad habits from forming and the more time there will be to achieve the greatest good this book along with 701 life quotes challenges your present perceptions of the wonder and mystery of life and the world perspective enables you to comprehend circumstances from other vantage points and to consider alternative opinions experiences and points of view this increases your comprehension and your empathy it lowers prejudice judgment and conflict this is the premise of the book to change your perspective towards life's hardships and obstacles and to empower your greatest self in this chaotic world

life lessons for everyday people is a book that focuses on the lessons that we can learn as we go through various situations on a day to day basis these lessons are meant to teach us that life is not over because we do not have the job spouse house or car that we want these lessons were written to tell us that life is just beginning when we realize that god is in control of everything in our lives no matter what your background is you will experience these life lessons and various other lessons so that you can understand that life is all about learning from the decisions that we make but the best part about life is learning and as you learn you will be able to live a better life in christ

we started writing these stories at the respective ages of 27 and 28 years old by no means do we feel that we should be giving advice on how to live your life since we really haven't been around that long you might expect life lessons to come from a wise grandmother or someone who has lived for many generations they are great sources by the way so we do encourage you to talk to them as well nonetheless our experiences range from great joy to great loss and we want to share our life lessons with the world thus this book was born we hope you enjoy our personal anecdotes and find our advice useful

practical wisdom is a compilation of the quotes that have impacted john leonard harris life each bit of practical wisdom has a lesson that mr harris has learned and he desires that you might be impacted by them as well each quote provides the reader with the opportunity to reflect react and respond the hope is that each reader will find helpful nuggets that will transform their life

in life we sometimes struggle with challenging entities it could be a person a place or a thing even though the scenario is different the principle is the same have you ever asked yourself how did i end up here once again why haven't things changed with this person this place or this thing we go through numerous matters over and over because we refuse to listen to what life teaches us the cycle of specific trials and test stop when and only when the lesson is learned life lessons by ej provides original thought provoking quotes purposed to prompt discussions on the lessons in our lives in an expose examine execute format while the antidote is owner specific the resolution remains the same the fact is you must take immediate action responding with urgency without any reservations acknowledge and learn the lessons that are before you you will be motivated inspired and transformed
