The Gospels are full of encounters that made a profound impact on those who spoke with Jesus Christ in the first essay of his new series Timothy Keller pastor of New York's Redeemer Presbyterian Church and New York Times bestselling author of The Reason for God shows how those encounters can still have a deep effect on us today through a lively examination of the Biblical passage where Nathanael the sceptical student meets with Jesus Keller reveals how this interaction is about life's deep questions who are we why are we here why be a good person why love instead of hate this first essay in the ten part Encounters with Jesus series also includes an exclusive look at Timothy Keller's book on faith and work every good endeavour connecting your work to God's work this and the other nine in the series make up the complete Encounters with Jesus unexpected answers to life's biggest questions

The infusion of social justice into the gospel may well be the most dangerous problem facing the church today yet it is going unnoticed in far too many circles social justice goes to church can serve as a wake up call Samuel C Smith Ph D chair and graduate program director department of history Liberty University in order to understand why so many evangelicals recently support left leaning political causes it is important to know a little history in the 1970s many campus radicals raised in Christian homes brought neo Marxist ideas from college back to church with them at first figures like Jim Wallis Ron Sider and Richard Mouw made great gains for their progressive evangelical cause but after the defeat of Jimmy Carter the religious right stole the headlines today a new crop of mainstream evangelicals has taken up the cause of the new left whether they know it or not as pro life evangelicals rush to support movements like BlackLivesMatter and MeToo it is important to realize they are walking in footprints already laid down their mission may be more successful but it is not new to understand where the evangelical social justice movement is heading it is vital to understand the origins of the movement social justice goes to church the new left in modern American evangelicalism answers from a historical perspective the vital question why are American evangelicals moving left the great injunction to the church was to preach the gospel to the world while not being of the world social justice neatly

reverses this trend preaching the ways of the world into the church that is not its only critical reversal the gospel is about freedom from guilt and sin and bondage social justice seeks above all to apportion guilt and sin and bondage enslaving entire demographics and requiring that they kneel before man in attrition how important that a book of this nature should enter the fray right now i applaud mr harris for his excellent work in providing the practical means of identifying and repelling this fraudulent force this ideological interloper this dangerous false teaching douglas kruger author of political correctness does more harm than good how to identify debunk and dismantle dangerous ideas
