research paper undergraduate from the year 2020 in the subject english language and literature studies culture and applied geography grade 1 7 justus liebig university giessen anglistik language english abstract when american football player colin kaepernick protested for black rights in mid 2016 i was astonished at the extent of the controversy that followed actually i think sports should be neutral and apolitical however top athletes who often have a great deal of influence in society can stimulate political discourse and even trigger larger debates as kaepernick did consequently i wanted to investigate why kaepernick and nike were attacked in the ensuing controversy and why a debate was triggered between different political factions in the us in the first chapter i introduce media analysis i examine how advertisements persuade their audience and how different media techniques and multimodality work together to capture the viewer's attention more effectively special emphasis is given to how metaphors are created and how they function how a utopian world perspective is communicated through commercials and how producers make use of unique selling points to cleverly place their products on the market i reference the texts covered in class but also contribute my own thoughts and experiences to reflect

on the contents on a more personal level in the second chapter i discuss nike and its famous dream crazy commercial from 2018 i begin by answering the question of why nike as a global corporation is particularly important when it comes to analysing advertisements subsequently i provide background on the commercial share my thoughts upon first viewing it and analyse its media production once more i consider metaphors utopia multimodality and unique selling points finally i summarise the findings and draw a conclusion
